

CITY OF LOS ANGELES
INTER-DEPARTMENTAL CORRESPONDENCE

Date: November 26, 2018

To: The City Council

From: Richard H. Llewellyn, Jr., City Administrative Officer

Subject: **AMENDMENT NO. 1 TO MOU 8, THE PROFESSIONAL ENGINEERING AND SCIENTIFIC UNIT REPRESENTED BY SEIU LOCAL 721**

Recommendation

It is recommended that the City Council adopt the attached Amendment No. 1 to the Professional Engineering and Scientific Unit Memorandum of Understanding allowing the negotiated salary adjustment for the classification of Chemist III (Class Code 7833-3) to be effective and operative as of January 7, 2018.

Summary

On December 8, 2017, the EERC approved a new salary for the classification of Chemist III (Class Code 7833) which SEIU Local 721 negotiated with the Office of the City Administrative Officer in order to align salaries within the Public Works Bureau of Sanitation Waste Water Treatment Laboratory.

Fiscal Impact

The estimated cost of approximately \$30,000 will be borne by the Public Works Bureau of Sanitation out of existing budgeted funds.
