Re: Council File 18-1226-S1 (Senate Bill 50 and related State legislation regarding housing and its impacts to the City of Los Angeles)

Dear Councilmembers Buscaino and Harris-Dawson,

On February 11, 2020, our Board voted 8-1-1 to support Council File 18-1226-S1 which relates to Senate Bill 50 and related State legislation regarding housing.

We support the City Council's request that the Department of City Planning, with the assistance of the Chief Legislative Analyst and the Bureau of Engineering, prepare a report-back within 45 days with further analysis (using Council File No. 18-1226 as the baseline) on Senate Bill 50, SB 592, and any other pending or adopted housing legislation in the current legislative session - detailing its potential impacts to the City's population capacity and growth, infrastructure, and potential cost estimates to the City and taxpayers to accommodate such growth.

Sincerely,

David Matthews, Chairperson  
Harbor Gateway North Neighborhood Council
