To the Planning Department, the Mayor's office, City Councilmembers and their Staff,

I stand with HALA. Planning's proposed amendment is too limited.

RSO hosts should have the same rights as non-RSO hosts

*REMOVE THE LIMIT OF 4000 REGISTERED RSO HOSTS

*REMOVE THE LIMIT OF ONLY 120 NIGHTS BOOKING CAP

*REMOVE THE LENGTHENED ELLIS ACT WAIT OF 7 YEARS.
We thank the Councilmembers for voting unanimously to support Home Sharing in RSO Owner-Occupied units and continuing to work to protect mom and pop hosts during these unprecedented times.

Sincerely,

HALA member

80% of all rental units are RSO. The new home-sharing ordinance is anti-tenant. It affords owners privileges it denies renters. It favors those who can afford to buy a home (or two) in LA at the median price of $849,000 and discriminates against the renter who may scramble to cover the median rental cost of a one-bedroom at $2525/month.

The STR ordinance forced those in RSO to either give up that extra income they made from sharing a bedroom or renting their home when out of town to do longer-term rentals. But the Catch-22 is that any guest who stays more than 4 weeks can squat and legally claim tenancy, forcing the hosts to court, or forcing them out of their homes altogether, creating far more problems than it solves.

Please revise the ordinance to allow renters in RSO buildings of four or less units to continue to host (regardless of whether the owner lives in the building or not) so they may stay in their homes.

Thanking you for your kind attention.

Hello Clerk City,

I am an LA resident, voter, and member of the Airbnb community.

I purchased a triplex and love the flexibility airbnb offers. I rent out one of the units and was using the other unit on airbnb. this allowed me to use it as needed when family or friends visit yet still gives me the opportunity to earn some money. It is very expensive to live in Los Angeles and without this added income I'm not sure if I would be able to continue living here.

I am an owner occupied property and am careful to keep it well maintained.

Please consider allowing owner occupied properties of 4 units or less to continue using the airbnb platform.

I know of many other in a similar situation that rely on this flexibility and that would greatly appreciate if this motion can be passed.

Thank you,

Regards, Dov Newman
Hello Clerk City,

I am an LA resident, voter, and member of the Airbnb community.

Our family has been counting on revenue from our Airbnb to put food on the table and to pay our bills. These restrictions have severely impacted our ability to provide for our family.

Please rethink these additional restrictions. They are doing nothing to help with the homelessness in LA. With the Covid closing down businesses across LA we have lost business.

Please think of others before yourselves for a change, and know that even us "non essential" citizens need to provide for our families.

Thank you

Steve

To the Planning Department, the Mayor's office, City Councilmembers and their Staff,

We have waited months for a decision on the fate of our RSO rental ordinance to be approved. We ask for your immediate assistance and concern for your represented citizens. Especially in this time of COVID-19, the ability to create economic opportunities for struggling families is of the utmost importance. Please support Home Sharing in RSO Owner-Occupied units.

Hello Clerk City,

I am an LA resident, voter, and member of the Airbnb community. It is so important for me and my family to rent short-term our fourplex. This is the only way I can afford to live in the beautiful community that here in Faircrest Heights. Please hear my voice as a hard working resident and community member and do everything in your power to help me support myself so I am not a burden on the city. Thank you

Hello Clerk City,

I am an LA resident, voter, and member of the Airbnb community.

Being able to share one of my bedrooms in Airbnb is important to me because it helps me afford the rent in my apt specially at such a terrible time in the economy. It creates a self “job” for the host and it lets the host and guest exercise their FREEDOM of choosing where to spend the night! People shouldn’t be “forced” into hotels. Many prefer a more “friendly and familiar experience” and it should be allowed. This could also help boost the economy and bring in more tourism to the city eventually. Which will be extremely important for an overall economic recovery. These regulations are hurting ALL of us: guests, hosts and Airbnb as a company while only benefiting Hotels... (why though?!) let the people who have an extra room, share it on Airbnb and help us pay rent this way. It’ll be unaffordable for a lot of us otherwise, causing way more problems in the long run for the city and many landlords.

Hello Clerk City,

Hello all,

I am an LA resident, voter, and member of the Airbnb community.

At the hearing this Thursday regarding this, please allow the max amount of units be granted permits to host. Some of us had our entire livelihood taken away in 2018 when we weren't allowed to sublet anymore. Please do the right thing and allow us to make a living again and get the tourism industry going again. Thank you.
