- COMMUNITY IMPACT STATEMENT -

Council File: [19-0002-S157](#)

Title: HR 1384 / The Medicare for All Act / Medicare / Affordable Care Act

Position: Support

Summary:

WHEREAS, the number of Americans without health insurance is still nearly 30 million, while more than 40 million Americans remain underinsured, despite important gains made since the implementation of the Affordable Care Act; and

Whereas approximately 3 million Californians lacked health insurance as of 2016, including 893,000 in Los Angeles County alone; and

WHEREAS, every person in Los Angeles deserves high quality health care; and

WHEREAS, the never-ending rising costs of health care create challenges for our small businesses and for our already heavily-burdened municipal budget; and

WHEREAS, medical problems contributed to 66.5% of all personal bankruptcies between 2013 and 2016, a figure that is virtually unchanged since before the passage of the Affordable Care Act, and 530,000 families suffer bankruptcies each year that are linked to illness or medical bills; and

WHEREAS, the rising costs of healthcare contribute to our city's housing and homelessness crisis by making it difficult for Angelenos to pay the rent; and

WHEREAS, the Medicare for All Act of 2019 would provide national health insurance for every person in the United States for all necessary medical care, including: prescription drugs; hospital, surgical and outpatient services; primary and preventive care; emergency services; women's reproductive care; mental health, dental and vision care; and long-term care; and

WHEREAS, the Medicare for All Act of 2019 would provide coverage without copays, deductibles or other out-of-pocket costs, and would slash bureaucracy, protect the doctor-patient relationship and assure patients a free choice of doctors; and

WHEREAS, recent polls show that a majority of Americans support Medicare-for-All; and

WHEREAS, the Medicare for All Act of 2019 will guarantee that all residents of Los Angeles will be fully covered for health care without copays, deductibles or other out-of-pocket costs, and would save millions in taxpayer dollars now spent on premiums that provide often inadequate health insurance coverage for local and state government employees; and

WHEREAS, the quality of life for the residents of Los Angeles will vastly improve because they would be able to get the ongoing care they need, instead of waiting until they have a medical emergency that could upend their lives as well as further burden local resources;

NOW THEREFORE BE IT RESOLVED, that by the adoption of this Community Impact Statement, the Los Feliz Neighborhood Council supports Council File 19-0002-S157, HR 1384 / The Medicare for All Act / Medicare / Affordable Care Act, and calls on the City of Los Angeles to include in its 2019-2020 Federal Legislative Program SUPPORT for the Medicare for All Act of 2019 (H.R. 1384 and S. 1129), which will assure appropriate and efficient health care for all residents of the United States.
