Summary: The City of Los Angeles is dealing with a massive housing and homelessness crisis. Healthcare and housing are intrinsically tied together and it is of utmost importance to work towards finding solutions to help all Angelenos flourish. Universal, single payer healthcare is a needed step in that direction. The Medicare for All Act of 2019 will guarantee that all residents of Los Angeles will be fully covered for health care without copays, deductibles or other out-of-pocket costs, and would save millions in taxpayer dollars now spent on premiums that provide often inadequate health insurance coverage for government employees. The Historic Highland Park Neighborhood Council calls on the Los Angeles City Council to pass a resolution of support for Medicare for All (HR 1384 and S 1129) to establish single-payer, universal healthcare.

DATE: October 3, 2019

TO: LA City Council

Los Angeles, CA

RE: Community Impact Statement in SUPPORT of Council File #19-0002-S157

TITLE: HR 1384 / The Medicare for All Act / Medicare / Affordable Care Act

Members of the Los Angeles City Council,

Historic Highland Park Neighborhood Council joins, to date, eight other neighborhood councils in calling on the Los Angeles City Council to pass a resolution of support for Medicare for All (HR 1384 and S 1129) to establish single-payer, universal healthcare.

It is important that the City of Los Angeles join San Francisco, Oakland, Denver, Detroit, Cambridge, Pittsburgh, Seattle, and Chicago in advocating for the moral right to healthcare for all people, the rational organization of our healthcare system under single payer, and the sustainability of our economy and our government's operability by confronting and controlling the drivers of costs.

The City of Los Angeles is dealing with a massive housing and homelessness crisis. Healthcare and housing are intrinsically tied together and it is of utmost importance to work towards finding solutions to help all Angelenos flourish. Universal, single payer healthcare is a needed step in that direction.

The Medicare for All Act of 2019 will guarantee that all residents of Los Angeles will be fully covered for health care without copays, deductibles or other out-of-pocket costs, and would save millions in taxpayer dollars now spent on premiums that provide often inadequate health insurance coverage for government employees.

Sincerely,

Stephanie Maynetto-Jackson

President, Historic Highland Park Neighborhood Council

Please see below for the resolution that Historic Highland Park Neighborhood Council has passed.

WHEREAS, the number of Americans without health insurance is still nearly 30 million, while more than 40 million Americans remain underinsured, despite important gains made since the implementation of the Affordable Care Act; and

WHEREAS, approximately 3 million Californians lacked health insurance as of 2016, including 893,000 in Los Angeles County alone; and

WHEREAS, every person in Los Angeles deserves high quality health care; and

WHEREAS, the rising costs of health care create challenges for our heavily burdened municipal budget and the small businesses that keep our communities thriving; and

WHEREAS, the rising costs of health care contribute to our city's housing and homelessness crisis by making it difficult for Angelenos to pay the rent; and

WHEREAS the Medicare for All Act of 2019 would provide national health insurance for every person in the United States for all necessary medical care including prescription drugs; hospital, surgical and outpatient services; primary and preventive care; emergency services; women's reproductive care; mental health, dental and vision care; and long-term care; and

WHEREAS the Medicare for All Act of 2019 would provide coverage without copays, deductibles or other out-of-pocket costs, and would slash bureaucracy, protect the doctor-patient relationship and assure patients a free choice of doctors; and

WHEREAS, recent polls show that a majority of Americans support Medicare for All; and

WHEREAS, the Medicare for All Act of 2019 will guarantee that all residents of Los Angeles will be fully covered for health care without copays, deductibles or other out-of-pocket costs, and would save millions in taxpayer dollars now spent on premiums that provide often inadequate health insurance coverage for government employees; and

WHEREAS, the quality of life for the residents of Los Angeles will vastly improve because they would be able to get the ongoing care they need, instead of waiting until they have a medical emergency that could upend their lives as well as further burden local resources;

NOW THEREFORE BE IT RESOLVED, that by the adoption of this resolution, the Historic Highland Park Neighborhood Council calls on the City of Los Angeles to include in its 2019-2020 Federal Legislative Program SUPPORT for the Medicare for All Act of 2019 (H.R. 1384 and S. 1129), which will assure appropriate and efficient health care for all residents of the United States.
