Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this resolution calling for support of AB36 to be included in Los Angeles' State Legislative Program. Since 1995 the Costa-Hawkins Act has eliminated the ability of local governments to exercise rent control on rental properties. Such limitations have contributed to the current rental crisis, not just in the city of Los Angeles but to the state of California as a whole. While the ASNC does support this resolution the council also believes that the best way to address the rental crisis vis-à-vis Costa-Hawkins is to completely repeal the act as was attempted in AB1506 and Prop 10.
