#### SUMMARY

On April 2, 2019, Council considered Resolution (Bonin - Smith) relative to establishing oversize vehicle parking restrictions along a segment of Kensington Road. Resolution states there is an increased problem with oversized vehicles parking immediately adjacent to residential buildings in Del Rey along this street segment. Oversize vehicles often park overnight, constricting travel lanes and creating dangerous situations. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held April 10, 2019, the Transportation Committee recommended that Council approve the proposed parking restriction and related LADOT instructions pursuant to Resolution.

Respectfully Submitted,
