SUMMARY

On August 23, 2019, Council considered Resolution (Bonin – Koretz) relative to establishing oversize vehicle parking restrictions along a segment of Allin Street. Resolution states there is an increased problem with oversized vehicles parking on street segments in Del Rey, immediately adjacent to residential buildings. Large vehicles are often parked overnight, constricting travel lanes and creating undesirable roadway conditions. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held September 25, 2019, the Transportation Committee recommended that Council approve the proposed parking restrictions and related LADOT instructions pursuant to Resolution.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
