SUMMARY

On January 22, 2019, Council considered Resolution (Bonin - Blumenfield) relative to establishing oversize vehicle parking restrictions along a segment of Mississippi Avenue. Resolution states there is an increased problem with oversized vehicles parking on street segments in West Los Angeles, immediately adjacent to school buildings. These large vehicles are often parked overnight, constricting travel lanes and creating undesirable roadway conditions. Resolution recommends that parking restrictions be established along a segment of Mississippi Avenue. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held February 13, 2019, the Transportation Committee recommended that Council approve Resolution establishing oversize vehicle parking restrictions along the street segment described above.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
