SUMMARY

On January 22, 2019, Council considered Resolution (Bonin - Blumenfield) relative to establishing oversize vehicle parking restrictions along several street segments in Mar Vista. Resolution states there is an increased problem with oversized vehicles parking on street segments in Mar Vista, immediately adjacent to residential buildings. These large vehicles are often parked overnight, constricting travel lanes and creating undesirable roadway conditions. Resolution recommends that parking restrictions be established along the street segments listed above. Council referred Resolution to the Transportation Committee for consideration.

At its meeting held February 13, 2019, the Transportation Committee recommended that Council approve Resolution establishing oversize vehicle parking restrictions along the street segments listed above.
