Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this motion (19-0046) directing the City Attorney and Ethics Commission to prepare a draft ordinance that would prevent contributions to elected City Officials and candidates for City office by “Restricted Developers.” While the general influence of money in politics is arguably detrimental to democracy there is clearly a direct corruptibility with entities such as developers contributing to the very officials with whom rest the power to approve their lucrative projects. Furthermore the ASNC hopes that with this ordinance the City Council continues to look inward to other sources of contributions that may also constitute conflicts of interest.
