No matching funds are required.

Community Impact Statement: None submitted.

Summary:

On February 26, 2020, your Committee considered a February 19, 2020 CAO report and February 6, 2020 communication from the Mayor relative to re-appropriation of the FY 18 SHSP Grant. According to the CAO, the Mayor is requesting authority to modify the FY18 SHSP grant award from the United States Department of Homeland Security (OHS). On March 1, 2019, Council authorized the Mayor to accept the FY18 SHSP award of \$672,294 with a grant performance period from September 1, 2018 through February 28, 2021. There is no matching fund requirement for this grant.

The FY18 SHSP provides funding for planning, equipment, training, exercises, and grant administration for emergency prevention, preparedness, and response. The grant is allocated to the states and distributed to Operational Areas based on population to support first responders. The grant is provided by OHS to the California Governor's Office of Emergency Services (CalOES), who in turn allocates the funds to the County of Los Angeles as a sub-grantee. The County of Los Angeles administers the grant for the area and the City of Los Angeles is a sub-recipient. The City's FY18 SHSP allocation will fund training projects within the Los Angeles Emergency Management Department, Los Angeles Fire Department, and Los Angeles Police Department. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report and detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,
