

## CONDITIONS OF APPROVAL

(as modified by the Planning and Land Use Management Committee on March 19, 2019)

### A. Entitlement Conditions

1. **Use and development.** The use and development of the property shall be in substantial conformance with the plot plan submitted with the application and marked Exhibit "A", dated December 10, 2018, except as may be revised as a result of this action. No change to the plans will be made without prior review by the Department of City Planning, and written approval by the Director of Planning, with each change being identified and justified in writing. Minor deviations may be allowed in order to comply with provisions of the Municipal Code, the subject conditions, and the intent of the subject permit authorization.
2. **Residential Density.** The project shall be limited to a maximum density of 725 dwelling units.
3. **Automobile Parking.**
  - a. Automobile parking shall be provided in conformance with L.A.M.C. Section 12.21-A,4.
  - b. **Electric Vehicle Parking.** The project shall include at least 20 percent of the total code-required parking spaces capable of supporting future electric vehicle supply equipment (EVSE). Plans shall indicate the proposed type and location(s) of EVSE and also include raceway method(s), wiring schematics and electrical calculations to verify that the electrical system has sufficient capacity to simultaneously charge all electric vehicles at all designated EV charging locations at their full rated amperage. Plan design shall be based upon Level 2 or greater EVSE at its maximum operating ampacity. Of the twenty percent EV Ready parking, five percent of the total code required parking spaces shall be further provided with EV chargers to immediately accommodate electric vehicles within the parking areas. When the application of either the required 20 percent or five percent results in a fractional space, round up to the next whole number. A label stating "EVCAPABLE" shall be posted in a conspicuous place at the service panel or subpanel and next to the raceway termination point.
  - c. Parking structures or that portion of a building or structure that is used for parking at grade or above grade shall be designed to minimize vehicle headlight and parking structure interior lighting impacts ("spillover") on adjacent streets and properties.
4. **Bicycle Parking.** Bicycle parking shall be provided in conformance with L.A.M.C. Section 12.21-A,16.
5. **Cornfield Arroyo-Seco Specific Plan - Ordinance 182,617.** Pursuant to Chapter 1.2.B.2.e of the Cornfield Arroyo-Seco Specific Plan, the provisions of the Specific Plan shall not apply to the project, since the project's application was deemed complete on December 7, 2012, prior to the adoption of the Specific Plan.
6. **Signage.** On-site signage shall be provided in conformance with L.A.M.C.

7. **Solar and Electric Generator.** Generators used during the construction process shall be electric or solar powered. Solar generator and electric generator equipment shall be located as far away from sensitive uses as feasible.
8. **Solar Panels.** Solar Power. 15 percent of the total square footage of the building rooftop shall install solar panels as shown on the roof plan provided as a part of an operational photovoltaic system to be maintained for the life of the project. The Project shall comply with the Los Angeles Municipal Green Building Code, Section 99.05.211, to the satisfaction of the Department of Building and Safety
9. **Stormwater/irrigation** – The project shall implement on-site stormwater infiltration as feasible based on the site soils conditions, the geotechnical recommendations, and the City of Los Angeles Department of Building and Safety Guidelines for Storm Water Infiltration. If on-site infiltration is deemed infeasible, the project shall analyze the potential for stormwater capture and reuse for irrigation purposes based on the City Low Impact Development (LID) guidelines.
10. **Signage.** There shall be no off-site commercial signage on construction fencing during construction.

#### **B. Entitlement Conditions – Master Conditional Use Permit for Alcohol Sales**

1. The authorized use shall be conducted at all times with due regard for the character of the surrounding district, and the right is reserved to the Zoning Administrator to impose additional corrective Conditions, if, in the Administrator's opinion, such Conditions are proven necessary for the protection of persons in the neighborhood or occupants of adjacent property.
2. **Grant.** Approved herein is a Master Conditional Use Permit to allow for the service of a full line of alcoholic beverages for on-site consumption for up to eight establishments and for off-site consumption for one grocery store on the project site.
3. **Hours of Operation.** Hours of operation shall be limited to 7:00 a.m. to 2:00 a.m. daily for the seven restaurants, and alcohol sales shall be limited to 7:00 a.m. to 2:00 am daily for the grocery store.
4. Beer and wine sales may be sold in lieu of a full line of alcoholic beverages at any of the approved alcohol-serving venues.
5. A public hearing for any Approval of Plans request may be waived at the discretion of the Chief Zoning Administrator
6. Smoking tobacco or any non-tobacco substance, including from electronic smoking devices, is prohibited in or within 10 feet of the outdoor dining areas in accordance with Los Angeles Municipal Code Section 41.50 B 2 C. This provision applies to all outdoor areas of the establishment that are used in conjunction with food service and/or the consumption, dispensing, or sale of alcoholic or non-alcoholic beverages.
7. **Master Plan Approval (MPA) Requirement.** Each individual venue shall be subject to a Master Plan Approval (MPA) determination pursuant to Section 12.24-M of the Los

Angeles Municipal Code in order to implement and utilize the Master Conditional Use authorization granted. The purpose of the Master Plan Approval determination is to review each proposed venue in greater detail and to tailor site-specific conditions of approval for each of the premises subject to analysis of the venue's individual mode and character of operations including but not limited to hours of operation, seating capacity, size, security, live entertainment, the length of a term grant and/or any requirement for a subsequent MPA application to evaluate compliance and effectiveness of the conditions of approval. These conditions may include additional conditions not included in the Master Conditional Use Conditions of Approval. A Plan Approval without a hearing may be granted by the Chief Zoning Administrator if the operator agree to the Conditional Use Permit Conditions.

8. **Employee Training.** Within six months of the effective date of the any subsequent plan approvals, all employees involved with the sale of alcoholic beverages shall enroll in the Los Angeles Police Department "Standardized training for Alcohol Retailers" (STAR). Upon completion of such training, the applicant shall request the Police Department to issue a letter identifying which employees completed the training. The applicant shall transmit a copy of the letter from the Police Department to the Zoning Administrator as evidence of compliance. In the event there is no change in the licensee, within one year of such change, this training program shall be required for all new staff.
9. **Additional Conditions.** The authorized use shall be conducted at all times with due regard for the character of the surrounding district, and the right is reserved to the Department of City Planning to impose additional corrective conditions, if, it is determined by the Department of City Planning that such conditions are proven necessary for the protection of person in the neighborhood or occupants of adjacent property.
10. Electronic age verifications device(s) which can be used to determine the age of any individual attempting to purchase alcoholic beverages or tobacco products shall be installed on the premise at each point-of-sale location. This device(s) shall be maintained in an operational condition and all employees shall be instructed in their use prior to the sale of any alcoholic beverage or tobacco product.
11. **Security.** Prior to issuance of a certificate of occupancy for any phase of the project, the Police Department shall have approved the Owner's written plan for security for such phase and the project, including security equipment installed within such Phase and the balance of the Project, the type, number and hours of security personnel to be provided by the Owner, and coordination with the Police Department. A copy of the security plan approved by the Police Department shall be included with all Approval of Plans. The security plan for each phase shall include a camera installation plan. Surveillance cameras shall be installed which cover all common areas of the establishments, including all high-risk areas, entrances and exits to each tenant space, and including cameras that provide a view of the street. The Owner shall maintain a one-month tape library and such tapes shall be made available to Police or other enforcement agency upon request. The security plan for each phase shall include the type, number and hours of security personnel to be provided by the Owner. In addition to the private security staffing, the Owner shall provide for the hiring of Law Enforcement personnel as part of the security plan staffing for the project site during all hours of operation. Central Vice Office and the Police Department reserve the right to revise the approved security plan for any phase of the project if it is determined by the Central Vice Office that the security

plan is ineffective or inadequate as it pertains to the safety of patrons, residents and/or the employees of the project site. If the plan is determined to be ineffective or inadequate, the Owner will submit a modified security plan to be approved by the Police Department.

12. The Applicant and tenants shall monitor the areas under their control to prevent loitering activities. Loitering is prohibited on or around these premises and any area under the control of the Applicant.
13. **Lease Agreements.** All establishments applying for an Alcoholic Beverage Control license shall be given a copy of these conditions prior to executing a lease and these conditions shall be incorporated into the lease. Furthermore, all vendors of alcoholic beverages shall be made aware that violations of these conditions may result in revocation of the privileges of serving alcoholic beverages on the premises.
14. **Building Plans.** A copy of this grant and all Conditions and/or any subsequent appeal of this grant and resultant Conditions and/or letters of clarification shall be printed on the building plans submitted to the Development Services Center and the Department of Building and Safety for purposes of having a building permit issued.
15. **Ownership/Operator Change.** Should there be a change in the ownership and/or the operator of the business, the property owner and the business owner or operator shall provide the prospective new property owner and the business owner/operator with a copy of the conditions of this action prior to the legal acquisition of the property and/or the business. Evidence that a copy of this determination has been provided to the prospective owner/operator, including the conditions required herewith, shall be submitted to the BESt (Beverage and Entertainment Streamlined Program) in a letter from the new operator indicating the date that the new operator/management began and attesting to the receipt of this approval and its conditions. The new operator shall submit this letter to the BESt (Beverage and Entertainment Streamlined Program) within 30 days of the beginning day of his/her new operation of the establishment along with the dimensioned floor plan, seating arrangement and number of seats of the new operation.
16. Prior to the utilization of this grant, 24-hour "hot line" shall be provided for complaints or concerns from the community regarding the operation. The 24-hour phone number shall be posted at the following locations: a) entries, visible to pedestrians; b) customer service desks, front desks or near the hostess stations. The applicant shall maintain a log of all calls, detailing: (1) date complaint received; (2) nature of complaint, and (3) the manner in which the complaint was resolved. This log shall be made available to law enforcement personnel upon request and presented as part of the application if and when a new application to continue the operation is submitted to the Department of City Planning. Complaints shall be responded to within 24 hours.
17. **MViP – Monitoring, Verification and Inspection Program.** At any time, before, during, or after operating hours, a City inspector may conduct a site visit to assess compliance with, or violations of, any of the conditions of this grant. Observations and results of said inspection will be documented and used to rate the operator according to the level of compliance. If a violation exists, the owner/operator will be notified of the deficiency or violation and will be required to correct or eliminate the deficiency or violation. Multiple or continued documented violations or Orders to Comply issued by

the Department of Building and Safety which are not addressed within the time prescribed therein, may result in denial of future requests to renew or extend this grant.

18. **Covenant and Agreement.** Within 30 days of the effective date of this grant, a covenant acknowledging and agreeing to comply with all the terms and conditions established herein shall be recorded in the County Recorder's Office. The agreement (standard master covenant and agreement form CP-6770) shall run with the land and shall be binding on any subsequent owners, heirs or assigns. The agreement with the conditions attached must be submitted to the Development Services Center or the BESt (Beverage and Entertainment Streamlined Program) for approval before being recorded. After recordation, a certified copy bearing the Recorder's number and date shall be provided to the Development Services Center or BESt (Beverage and Entertainment Streamlined Program) for inclusion in the case file.

### C. Entitlement Conditions – Site Plan Review

1. **Site Development.** The use and development of the property shall be in substantial conformance with the Site Plans, Floor Plans, Building Elevations, Open Space Plan, and Landscape Plan (Exhibit A - Project Plans, dated December 3, 2018) of the subject case file. No change to the plans will be made without prior review by the Department of City Planning, and written approval by the Director of Planning. Each change shall be identified and justified in writing. Minor deviations may be allowed in order to comply with the provisions of the Municipal Code or the project conditions.
2. **Landscaped Plazas.** A minimum 14,300 square-foot landscaped plaza located adjacent to Spring Street and Llewellyn Street and a minimum 5,600 square-foot landscaped plaza located adjacent to Spring Street and College Street shall be provided, as shown in Exhibit A - Project Plans, dated December 3, 2018. All open areas not used for buildings, driveways, parking areas, recreational facilities or walks shall be attractively landscaped, including an automatic irrigation system, and maintained in accordance with a landscape plan prepared by a licensed landscape architect or licensed architect, and submitted for approval to the Department of City Planning.
3. **Llewellyn Street and Spring Street Island Parcel.** The City owned parcel bound by Spring Street, Rondout Street, and Llewellyn Street shall be landscaped and improved as shown in Exhibit A - Project Plans, dated December 3, 2018.
4. **Tree Wells.** All areas containing trees shall be at minimum depth of 48 inches.
5. **Graffiti Removal.** All graffiti on the site shall be removed or painted over to match the color of the surface to which it is applied within 24 hours of its occurrence.
6. **Mechanical and Rooftop Equipment Screening.** Any structures on the roof, such as air conditioning units and other equipment, shall be fully screened from view of any abutting properties and the public right-of-way. All screening shall be setback at least five feet from the edge of the building.
7. **Outdoor Lighting.** Outdoor lighting shall be designed and installed with shielding, such that the light source does not directly illuminate adjacent residential properties, the public right-of-way, or the atmosphere above.

8. **Alley.** The alley adjacent to College Street and Rondout Street shall be fully-lit and open to the public at all times.
9. **Trash and Recycling.**
  - a. All trash collection and storage areas shall be located on-site and shall not be visible from the public right-of-way.
  - b. Trash receptacles shall be stored in a fully enclosed building or structure.
  - c. Trash/recycling containers shall be locked when not in use.

#### **D. Environmental Conditions**

1. **Mitigation Monitoring Program.** The project shall be in substantial conformance with the mitigation measures in the attached MMP and stamped "Exhibit B" and attached to the subject case file. The implementing and enforcing agencies may determine substantial conformance with mitigation measures in the MMP. If substantial conformance results in effectively deleting or modifying the mitigation measure, the Director of Planning shall provide a written justification supported by substantial evidence as to why the mitigation measure, in whole or in part, is no longer needed and its effective deletion or modification will not result in a new significant impact or a more severe impact to a previously identified significant impact.

If the Project is not in substantial conformance to the adopted mitigation measures or MMP, a modification or deletion shall be treated as a new discretionary action under CEQA Guidelines, Section 15162(c) and will require preparation of an addendum or subsequent CEQA clearance. Under this process, the modification or deletion of a mitigation measure shall not require a Tract Map Modification unless the Director of Planning also finds that the change to the mitigation measures results in a substantial change to the Project or the non-environmental conditions of approval.

2. **Mitigation Monitor (Construction).** During the construction phase and prior to the issuance of building permits, the Applicant shall retain an independent Construction Monitor (either via the City or through a third-party consultant, the election of which is in the sole discretion of the Applicant), approved by the City of Los Angeles Department of City Planning which approval shall not be reasonably withheld, who shall be responsible for monitoring implementation of project design features and mitigation measures during construction activities consistent with the monitoring phase and frequency set forth in this MMP.

The Construction Monitor shall also prepare documentation of the Applicant's compliance with the project design features and mitigation measures during construction every 90 days in a form satisfactory to the Department of City Planning. The documentation must be signed by the Applicant and Construction Monitor and be included as part of the Applicant's Compliance Report. The Construction Monitor shall be obligated to report to the Enforcement Agency any non-compliance with mitigation measures and project design features within two business days if the Applicant does not correct the non-compliance within a reasonable time of written notification to the Applicant by the monitor or if the non-compliance is repeated. Such non-compliance shall be appropriately addressed by the Enforcement Agency.

3. **Tribal Cultural Resource Inadvertent Discovery.** In the event that objects or artifacts that may be tribal cultural resources are encountered during the course of any ground disturbance activities (including the following: excavating, digging, trenching, plowing, drilling, tunneling, quarrying, grading, leveling, removing peat, clearing, pounding posts, auguring, backfilling, blasting, stripping topsoil or a similar activity), all such activities shall temporarily cease on the project site until the potential tribal cultural resources are properly assessed and addressed pursuant to the process set forth below:
- Upon a discovery of a potential tribal cultural resource, the project Permittee shall immediately stop all ground disturbance activities and contact the following: (1) all California Native American tribes that have informed the City they are traditionally and culturally affiliated with the geographic area of the proposed project; (2) and the Department of City Planning at (213) 978-1454.
  - If the City determines, pursuant to Public Resources Code Section 21074 (a)(2), that the object or artifact appears to be tribal cultural resource, the City shall provide any effected tribe a reasonable period of time, not less than 14 days, to conduct a site visit and make recommendations to the Project permittee and the City regarding the monitoring of future ground disturbance activities, as well as the treatment and disposition of any discovered tribal cultural resources.
  - The project Permittee shall implement the tribe's recommendations if a qualified archaeologist, retained by the City and paid for by the project Permittee, reasonably concludes that the tribe's recommendations are reasonable and feasible.
  - The project Permittee shall submit a tribal cultural resource monitoring plan to the City that includes all recommendations from the City and any effected tribes that have been reviewed and determined by the qualified archaeologist to be reasonable and feasible. The project Permittee shall not be allowed to recommence ground disturbance activities until this plan is approved by the City.
  - If the project Permittee does not accept a particular recommendation determined to be reasonable and feasible by the qualified archaeologist, the project Permittee may request mediation by a mediator agreed to by the Permittee and the City who has the requisite professional qualifications and experience to mediate such a dispute. The project Permittee shall pay any costs associated with the mediation.
  - The project Permittee may recommence ground disturbance activities outside of a specified radius of the discovery site, so long as this radius has been reviewed by the qualified archaeologist and determined to be reasonable and appropriate.
  - Copies of any subsequent prehistoric archaeological study, tribal cultural resources study or report, detailing the nature of any significant tribal cultural resources, remedial actions taken, and disposition of any significant tribal cultural resources shall be submitted to the South Central Coastal Information Center (SCCIC) at California State University, Fullerton.

Notwithstanding the above, any information determined to be confidential in nature, by the City Attorney's office, shall be excluded from submission to the SCCIC or the general public under the applicable provisions of the California Public Records Act, California Public Resources Code, and shall comply with the City's AB 52 Confidentiality Protocols.

## E. Administrative Conditions

1. **Approval, Verification and Submittals.** Copies of any approvals, guarantees or verification of consultations, review or approval, plans, etc., as may be required by the subject conditions, shall be provided to the Planning Department for placement in the subject file.
2. **Code Compliance.** Area, height and use regulations of the zone classification of the subject property shall be complied with, except where herein conditions are more restrictive.
3. **Covenant.** Prior to the issuance of any permits relative to this matter, an agreement concerning all the information contained in these conditions shall be recorded in the County Recorder's Office. The agreement shall run with the land and shall be binding on any subsequent property owners, heirs or assign. The agreement must be submitted to the Planning Department for approval before being recorded. After recordation, a copy bearing the Recorder's number and date shall be provided to the Planning Department for attachment to the file.
4. **Definition.** Any agencies, public officials or legislation referenced in these conditions shall mean those agencies, public officials, legislation or their successors, designees or amendment to any legislation.
5. **Enforcement.** Compliance with these conditions and the intent of these conditions shall be to the satisfaction of the Planning Department and any designated agency, or the agency's successor and in accordance with any stated laws or regulations, or any amendments thereto.
6. **Corrective Conditions.** The authorized use shall be conducted at all times with due regard for the character of the surrounding district, and the right is reserved to the City Planning Commission, or the Director pursuant to Section 12.27.1 of the Municipal Code, to impose additional corrective conditions, if, in the Commission's or Director's opinion, such conditions are proven necessary for the protection of persons in the neighborhood or occupants of adjacent property.
7. **Building Plans.** Page 1 of the grants and all the conditions of approval shall be printed on the building plans submitted to the City Planning Department and the Department of Building and Safety.
8. **Project Plan Modifications.** Any corrections and/or modifications to the Project plans made subsequent to this grant that are deemed necessary by the Department of Building and Safety, Housing Department, or other Agency for Code compliance, and which involve a change in site plan, floor area, parking, building height, yards or setbacks, building separations, or lot coverage, shall require a referral of the revised plans back to the Department of City Planning for additional review and final sign-off prior to the issuance of any building permit in connection with said plans. This process may require additional review and/or action by the appropriate decision-making authority including the Director of Planning, City Planning Commission, Area Planning Commission, or Board.

9. **Development Services Center.** Prior to sign-off on building permits by the Department of City Planning's Development Services Center for the project, the Department of City Planning's Major Projects Section shall confirm, via signature, that the project's building plans substantially conform to the conceptual plans stamped as Exhibit "A", as approved by the City Planning Commission.

**Note to Development Services Center:** The plans presented to, and approved by, the City Planning Commission (CPC) included specific architectural details that were significant to the approval of the project. Plans submitted at plan check for condition clearance shall include a signature and date from Major Projects Section planning staff to ensure plans are consistent with those presented at CPC.

10. **Indemnification and Reimbursement of Litigation Costs.** The Applicant shall do all of the following:

- (i) Defend, indemnify and hold harmless the City from any and all actions against the City relating to or arising out of, in whole or in part, the City's processing and approval of this entitlement, including but not limited to, an action to attack, challenge, set aside, void, or otherwise modify or annul the approval of the entitlement, the environmental review of the entitlement, or the approval of subsequent permit decisions, or to claim personal property damage, including from inverse condemnation or any other constitutional claim.
- (ii) Reimburse the City for any and all costs incurred in defense of an action related to or arising out of, in whole or in part, the City's processing and approval of the entitlement, including but not limited to payment of all court costs and attorney's fees, costs of any judgments or awards against the City (including an award of attorney's fees), damages, and/or settlement costs.
- (iii) Submit an initial deposit for the City's litigation costs to the City within 10 days' notice of the City tendering defense to the Applicant and requesting a deposit. The initial deposit shall be in an amount set by the City Attorney's Office, in its sole discretion, based on the nature and scope of action, but in no event shall the initial deposit be less than \$50,000. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).
- (iv) Submit supplemental deposits upon notice by the City. Supplemental deposits may be required in an increased amount from the initial deposit if found necessary by the City to protect the City's interests. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).
- (v) If the City determines it necessary to protect the City's interest, execute an indemnity and reimbursement agreement with the City under terms consistent with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any action and the City shall cooperate in the defense. If the City fails to notify the applicant of any claim, action, or proceeding in a reasonable time, or if the City fails to reasonably cooperate in the defense, the applicant shall not thereafter be responsible to defend, indemnify or hold harmless the City.

The City shall have the sole right to choose its counsel, including the City Attorney's office or outside counsel. At its sole discretion, the City may participate at its own

expense in the defense of any action, but such participation shall not relieve the applicant of any obligation imposed by this condition. In the event the Applicant fails to comply with this condition, in whole or in part, the City may withdraw its defense of the action, void its approval of the entitlement, or take any other action. The City retains the right to make all decisions with respect to its representations in any legal proceeding, including its inherent right to abandon or settle litigation.

For purposes of this condition, the following definitions apply:

“City” shall be defined to include the City, its agents, officers, boards, commissions, committees, employees, and volunteers.

“Action” shall be defined to include suits, proceedings (including those held under alternative dispute resolution procedures), claims, or lawsuits. Actions includes actions, as defined herein, alleging failure to comply with any federal, state or local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the City or the obligations of the Applicant otherwise created by this condition.
