Summary: The Reseda Neighborhood Council recommends the termination of contract c-13454 between the Economic and Development Systems Incorporated and the City of Los Angeles. The Reseda Neighborhood Council has determined that E&D Systems Inc has attempted to collect data in a blatantly unscientific manner; to wit gathering data on parking patterns during a pandemic. Thus, the Reseda Neighborhood Council has zero faith in the scientific integrity of E&D Systems Inc, and neither should anyone else. Please terminate this contract forthwith and do not extend the terms of the contract.
