The Board of Building and Safety Commissioners, at its meeting of February 26, 2019, gave consideration to the application by Laurette Healey, to export 2,582 cubic yards of earth from the above-referenced property.

The Board took the following actions:

1. FIND that the project is Categorically Exempt under the California Environmental Quality Act pursuant to the notice of exemption prepared by the Department of City Planning.
2. APPROVE the application subject to all conditions specified in the Department's report dated February 20, 2019.

This action becomes effective and final when ten calendar days has elapsed from the date of the Board's action, unless an appeal is filed with the City Council pursuant to Section 91.7006.7.5 of the Los Angeles Municipal Code.
