Summary: Community Impact Statement in support of Council File 19-0450, recommending a report on the City's strategy to address homeless encampment clean-ups (a.k.a. "Sweeps"), including "efficacy of existing clean-up efforts, detailing key objectives and providing metrics of success or failure." The Greater Cypress Park Neighborhood Council, therefore, support this motion to study the efficacy of current clean-up efforts and to report back with actual metrics of clean-up success and/or failure. Furthermore, we hope that the report will recommend best practices and strategies that address the needs of all those involved with cleanups. Such information and action is sorely and immediately needed to address issues of public health, safety, and homelessness reduction efforts.
