Summary: The Arroyo Seco Neighborhood Council (ASNC) extends its support to this motion (19-0480). By calling for the City of Los Angeles to be declared a “Blue Community” the city pledges to reduce the use of single use plastics through the elimination of single use water bottles both provided and for sale at municipal facilities, meetings and events by 2028. The city will rely in its resource of clean drinkable tap water and reusable vessels in order to curb its reliance on plastics. The Arroyo Seco Neighborhood Council pledges to reduce its use of plastic water bottles in solidarity with the City’s goals.
