

HOMELESSNESS AND POVERTY COMMITTEE REPORT relative to the real-time live shelter bed tracking system, along with an assessment of other ways technology can be used to enhance efficiency and transparency in the homeless system.

Recommendation for Council action:

NOTE and FILE the July 3, 2019 Los Angeles Homeless Services Authority report, attached to the Council file.

Fiscal Impact Statement: Not applicable.

Community Impact Statement: None submitted.

Summary:

On October 2, 2019, the Homelessness and Poverty Committee considered the July 3, 2019 Los Angeles Homeless Services Authority report, relative to the real-time live shelter bed tracking system, along with an assessment of other ways technology can be used to enhance efficiency and transparency in the homeless system.

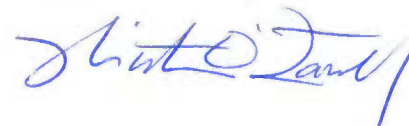

After consideration and having provided an opportunity for public comment, the Committee moved to note and file the July 3, 2019 Los Angeles Homeless Services Authority report, and requested for the next update to include information on other technologies that can possibly assist in the effort, and take a look at other cities who have well established, comprehensive, and coordinated shelter bed placement system, like San Francisco. The matter is now submitted to Council for its consideration.

Respectfully Submitted,

HOMELESSNESS AND POVERTY COMMITTEE
