Community Impact Statement: None submitted.

Summary:

On August 21, 2019, your Committee considered an August 8, 2018 CAO report relative to substitute and in-lieu position authorities needed in 2019-20. According to the CAO, Council has adopted a policy that states that authorization of substitute positions, other than for layoff avoidance, shall require Council approval only if a department does not have adequate savings identified within its budget to fund such requests. Therefore, departments will transmit these types of requests directly to the City Council for consideration. After consideration, the Committee moved to note and file the CAO report, inasmuch as the report is for information only and no Council action is required. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PERSONNEL AND ANIMAL WELFARE COMMITTEE
