Summary:

On February 26, 2020, the Public Safety Committee considered a February 19, 2020 CAO report and February 6, 2020 communication from the Mayor relative to acceptance of funds for the FY 19 UASI Grant. According to the CAO, the Mayor is requesting authority to accept the United States Department of Homeland Security (DHS) FY 19 UASI grant award and to take actions related to award implementation. The grant performance period is from September 1, 2019 to May 31, 2022. The grant award provides a total allocation of \$56,236,000 divided among the City and Los Angeles/Long Beach Urban Area (LA/LB UA) Partner Jurisdictions. While the grant funds are provided to the entire LA/LB UA, the City serves as the administrative and fiscal agent for the grant and receives the total allocation to distribute the grant funds in accordance with the approved grant budget. No matching funds are required for this grant. Because the performance period of the FY 19 UASI grant commenced on September 1, 2019, certain grant-approved activities that will be reimbursed by grant funds have already occurred; therefore, the recommendations to accept the grant, adopt the FY 19 UASI budget, and enter into certain contracts would include retroactive approval of grant-funded activities that occurred within the grant performance period, but prior to the Council adoption of the recommendations set forth in this report. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the CAO report. Subsequently, the Chair of the Personnel and Animal Welfare Committee also considered this item and after consideration moved to concur with the Public Safety Committee. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
