Summary:

On October 13, 2020, your Committee considered a September 22, 2020 board report relative to the Semi-Annual report for the LAPD RTF Budget for the period from January 1, 2020 through June 30, 2020. According to the Board, the report is in response to Ordinance No. 171378's requirement for semi-annual reporting on the activities of the LAPD's RTF. In the report, the LAPD has provided a summary of the first half of Fiscal Year 2019-20 and includes expenditures from July 1 through December 31, 2019. The RTF has afforded the LAPD the ability to increase available training opportunities to both sworn and civilian employees. These opportunities help develop our personnel, imparting greater service to the residents of the City of Los Angeles. Requests for the use of the RTF are reviewed for appropriateness of training with respect to each employee's title or rank, current assignment, and job duties. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of the recommendations contained in the Board report and detailed in the above recommendations. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
