Re: Clarification of Hours for Proposed Gate at "EaCa" Alley in Hollywood

Dear Mr. Yew,

Over the past few years, my office has worked with community members and your staff regarding a proposal to install gates at "EaCa" (East of Cahuenga) Alley in Hollywood. Recently, our staffs have determined, along with the City Attorney, an acceptable path forward in which the applicants will be able to receive a Revocable Permit for gating the alley.

However, it has been determined that the previously requested overnight hours in which the alley will be closed must be adjusted. After numerous discussions between our respective offices, as well as with members of the community, I am formally requesting that the Revocable Permit be issued to allow for overnight closure of the alley between **2:30 AM and 8:00 AM**.

Please contact Daniel Halden of my staff if you have any questions. He can be reached at (213) 207-3015. Thank you for your attention to this matter.

Sincerely,

MITCH O'FARRELL
