

MOTION

I MOVE that the Report of the Economic Development Committee on issuing a Request for Information (RFI) to assess development interest for City-owned properties located at 3416 W. 43rd Street and 4300-4326 S. Degnan Boulevard in Leimert Park (CF 19-0770) BE AMENDED to clarify that this Request for Information is only to collect information about what ideas and abilities there may be about possible development of these properties. This is only a first step to see what may be possible, including the possibility of an affordable housing project. Any action to move forward would still have to go through a formal Request for Qualifications (RFQ) and a Request for Proposals (RFP) process to decide what if anything would be done and who would be chosen to do it.
