

TRANSPORTATION

MOTION

With vehicles blocking cross streets throughout the area, creating public safety issues, the LADOT recently began a pilot project to improve safety in this area by posting access and turn restrictions along Balboa Boulevard. This pilot project is a work in progress, and traffic restrictions as begun by LADOT have had some noticeable impact. However, some modifications are required to better serve the community.

I THEREFORE MOVE that the City Council instruct the Department of Transportation to temporarily post the following traffic restriction signs and to make amendments to posted traffic restrictions to mitigate traffic impacts and improve quality of life concerns, as follows:

1. Post "No Left Turn 4-7 p.m. Monday-Friday" from east bound Sesnon Boulevard to northbound Balboa Boulevard and re-stripe the left turn pocket and center painted median and traffic lane markings, as required.
2. The Department of Transportation remove the posted "No Left Turn 4-7 p.m. Monday-Friday from eastbound Midwood Drive to northbound Balboa Boulevard.

I FURTHER MOVE that the Department of Transportation be given the authority to modify or amend these restrictions as they deem necessary to effectuate the intent of this motion.
