Summary: At the Foothill Trails District Neighborhood Council General Board meeting held on October 17, 2019, the Board voted 10 For, 0 Against, 0 Abstain in SUPPORT of Council File # 19-1172 directing the Police Department to report on the status of Vision Zero enforcement efforts. Traffic collisions causing serious or fatal injuries continue to be a major problem in the communities of Lake View Terrace, Shadow Hills and La Tuna Canyon. Our communities have the unique position of being among the few remaining equestrian communities in the City of Los Angeles. The unsafe traffic conditions not only put our motorists, cyclists and pedestrians at risk, but our equestrians face a unique risk when travelling on our roads, many of which are officially designated equestrian trails. We request that Vision Zero also consider safety for equestrians, particularly on the heavily travelled streets of Foothill Blvd. and Osborne St. in Lake View Terrace, Sunland Blvd., Wentworth Ave., Wheatland Ave. and McBroom Street in Shadow Hills and La Tuna Canyon Blvd. in La Tuna Canyon.
