SUMMARY

On October 29, 2019, Council considered Motion (Ryu – O'Farrell) relative to an LADOT agreement with Metro for the installation of seven wayfinding signs north of the HIMIS project. Motion states LADOT is coordinating the implementation of a comprehensive parking and pedestrian wayfinding sign program in the Hollywood Entertainment Core as part of the HIMIS project. In support of this project, Metro proposed the one-time transfer of funds from its Hollywood/Highland Red Line Station Wayfinding Signage Improvements project to LADOT via a grant agreement to fund the installation of seven wayfinding signs north of the HIMIS project area. Under the terms of the Agreement, Metro will provide \$34,461 to LADOT on a reimbursement basis and LADOT will provide \$1,815 from the Special Parking Revenue Fund as a 5 percent local match for the installation of the signs.

Motion recommends Council authorize LADOT to enter the agreement with Metro and to approve the related financial transactions as stated above. Council referred Motion to the Transportation Committee for consideration.

At its meeting held November 13, 2019, the Transportation Committee recommended that Council approve Motion's recommendations.

Respectfully Submitted,

TRANSPORTATION COMMITTEE
