Summary: Mid City West SUPPORTS CF #20-0002-S30 (passed 2.9.2021 with 24 yeas, 1 nay, 0 abstentions): Reliable and affordable public transit supports our general economy, helps reduce car reliance, and clears our air. Transit fares are often a burden on those that can least afford it, and COVID-19 has led to service cuts at a time when people can least afford alternative transportation. Enforcement of transit fares can lead to unnecessary conflicts between armed officers and Black and Brown members of our City. Currently, Metro is considering permanent fare-free transit for its riders. The Mid City West Community Council SUPPORTS the resolution as introduced by Councilmember Bonin on January 13, 2021, and urges the City of Los Angeles to support and/or sponsor legislation that would provide funds to agencies to provide fare-free transit in Los Angeles.
