Agenda Date:

Item Number:

Summary: The Greater Cypress Park Neighborhood Council supports this proposal to review ways the City can keep 124-units of affordable housing at the Hillside Villas in Chinatown available to current residents. While using eminent domain is a severe step, we want the City to do all it can to protect affordable housing from going off the market. Thus, we support the idea of the City researching and reporting back on whether using eminent domain is a viable option in this case.
