

MOTION

College Bridge Academy (CBA) is a small learning community serving approximately 100 to 130 students in El Sereno. CBA currently operates out of a City-owned facility located at 4927 Huntington Dr. N. Los Angeles, CA 90032. The campus, which has been in operation for approximately four years, serves students aged 14 through 19, and is designed to help struggling students get back on track and graduate. Classes are limited to 15 to 20 students, and students are also provided a variety of wrap around services, such as counseling, case management and job training through Barrio Action Youth and Family Center, which has operated at this same City-owned site for many years.

The Department of General Services has advised that CBA's lease for this space is expiring and should be renewed. The CBA has proven to be an excellent resource for the residents of El Sereno, and a good community partner.

I THEREFORE MOVE that the Department of General Services, with the assistance of the City Attorney, be directed to negotiate and execute a non-profit lease agreement with College Bridge Academy for City-owned space located at 4927 Huntington Dr. N. Los Angeles, CA 90032.
