

NURY MARTINEZ

COUNCILWOMAN, 6TH DISTRICT

April 13, 2020

Dear Council Colleague:

Thank you for your patience and understanding as we continue to deal with this global pandemic and conduct our City Council meetings. At each meeting, my office, working with City staff and County Public Health, has taken the necessary precautions to make sure that our meetings are safe and following the latest health and safety guidelines.

I want to make sure that as a City Council we continue to meet to both keep our City operational and to address this public health crisis. To do so, we will convene Council meetings on April 22nd and 29th.

For now, all Council Committees and presentations will remain canceled. At the end of April, my office will reassess and determine what our next steps will be, but I want to thank you for your belief in our commitment to continue to meet during this pandemic to do the people's work.

Thank you for your time and consideration.

Sincerely,

Los Angeles City Council President
Nury Martinez
Councilwoman, 6th District
