

## DEPARTMENT OF WATER AND POWER

This Department, under the City Charter, is responsible for supplying the City and its inhabitants with water and electric energy by constructing, operating, and maintaining for that purpose works extending throughout the City and to Inyo and Mono Counties to import water and electric energy and to other western states to import electric energy; fixes rates for water and electric service subject to approval of the Council by ordinance; controls its own funds; and maintains a retirement, disability, and death benefit insurance plan.
