Summary:

On October 13, 2020, your Committee considered an October 1, 2020 City Attorney report and Ordinance relative to amending LAAC Section 22.210.2 to update the Schedule of Charges for Emergency Services to increase Basic Life Support and Advanced Life Support fees. According to the City Attorney, on August 13, 2020, the City Attorney transmitted a draft ordinance that would amend Subsection (b) of Section 22.210.2 of Article 4, Chapter 10, Division 22 of the LAAC to update the schedule of charges for emergency services to increase basic life support and advanced life support ambulance transport fees. Subsequent to this transmittal, the Los Angeles Fire Department learned that the monetary amounts reflected on the chart contained in the ordinance for Advance Life Support (ALS) service and Basic Life Support (BLS) service had been inadvertently transposed. After consideration and having provided an opportunity for public comment, the Public Safety Committee moved to recommend approval of the Ordinance. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
