SUMMARY

At its regular meeting held on November 9, 2020, the Budget and Finance Committee considered a CAO report dated August 14, 2020 relative to the calculation of the City's 2020-21 appropriations limit. The CAO reports that California Government Code Section 7910 (Government Code) requires that the governing body of each local jurisdiction establish its appropriation limit for the following fiscal year pursuant to the State Constitution (Gann Initiative), which limits the amount of revenue which can be appropriated in any fiscal year.

Additionally, the Government Code requires that the public be provided the opportunity to review the documentation used to calculate the appropriations limit for at least 15 days before adoption of the limit. A public notice will be published on Friday, November 13, 2020. The CAO report, attached to the Council file, contains the documentation used to determine the appropriations limit for 2020-21.

After consideration, and after having provided an opportunity for public comment, the Budget and Finance Committee recommended approval of the CAO's recommendations relative to the 2020-21 appropriation limit. This matter is now forwarded to the Council for its consideration.

Respectfully Submitted,

BUDGET AND FINANCE COMMITTEE
