Dear Mayor Garcetti and Councilmembers Krekorian, Price, Koretz, Blumenfield, and Bonin,

I write to express my deep concern regarding the Mayor's Proposed Budget for the Fiscal Year 2020-21.

I urge the City Council to amend Mayor Garcetti's budget to reflect the values of our community: we want more social services, employment programs, public health resources, rent relief, and restorative justice programs, not more policing. We request the City Council adopt the People's Budget LA.

While the Mayor recently announced he would decrease LAPD funding by up to \$150M, this symbolic gesture is simply not enough. There needs to be a drastic reduction of LAPD funding and an un-armed, community-based, alternative policing system –on top of more funding for social programs. People are marching through the entire city demanding systemic change and justice for the 600+ black people killed by police in LA County since 2012. We implore you to listen to the demands of your constituents.

Public safety should no doubt be one of the City's highest priorities. But investments in housing and job security, mental health care, and after-school programs are investments in public safety. By cutting these services, this budget will not make Angelenos safer.

Furthermore, protests in Los Angeles following the murder of George Floyd have exemplified the issue of police brutality, including the indiscriminate use of tear-gas and rubber bullets against protesters, demonstrating the need for an overhaul of the LAPD. We are presented with an opportunity to improve upon the past instead of repeating its mistakes. It is in that spirit that I ask you for a compassionate budget—and through it, for a more just, equitable, and humane Los Angeles.

I urge the City Council to adopt the People's Budget LA and amend Mayor Garcetti's budget to shift resources from the LAPD to social services, housing, employment programs, restorative justice programs, rent relief, and public health efforts.

Sincerely,
Emily Marr
