**Re: Community Impact Statement on CF 20-0668-S7 - Los Angeles City Council  
Redistricting Commission / City of Los Angeles / Council Districts / Recommended Map**

To Whom It May Concern:

At our regularly held public meeting on December 14, the Board of Directors of the Downtown Los Angeles Neighborhood Council ("DLANC") voted to provide the following comments below:

The Downtown Los Angeles Neighborhood Council submits this Community Impact Statement **in support if amended** of Council File 20-0668-S7: Los Angeles City Council Redistricting Commission / City of Los Angeles / Council Districts / Recommended Map.

We are generally in support of the current boundaries of CD14 as it relates to Downtown Los Angeles.

However, we are looking forward to a more open and equitable redistricting process that acknowledges recognized changes to the structure of the redistricting commission throughout the various stages of map development with greater attention and effort placed at keeping Neighborhood Council boundaries entire - especially as it relates to portions of Downtown Los Angeles in CD9, and CD1.
