Comments for Public Posting: Sharon, Bob, and Yuri Jimenez are 30 year residents of the City of Los Angeles. Our address is 1009 South Orange drive Los Angeles 90019. We are writing to urge the city to keep our community Miracle Mile in the same city council district. We wanted to be included in CD5 along with our neighbors. As drawn now the new district maps split us up which is an affront to us all diluting our voices and causes is to be gerrymandered for political purposes rather than giving us the voice that is our voting right in the city of Los Angeles
