Council File #: [20-0690](#)

Title: Murder of George Floyd / Condemnation

Position: Support if amended

Summary:

The Historic Highland Park Neighborhood Council (HHPNC) extends its support to this motion (20-0690), if amended, calling for the condemnation of murder of George Floyd. We on the HHPNC also call on the City of Los Angeles to condemn all murders of people of color by all police departments. The Historic Highland Park Neighborhood Council also uses this moment to extend its support for Black Lives Matter and their allies in their collected efforts to dismantle systemic racism in America. We must not let this tragedy fall into indifference as so many have in the past and instead turn our efforts against a system that allows for "state-sanctioned violence and anti-Black racism" in our city, as well as those across America. We support BLM in their work "for freedom and justice for Black people and, by extension, all people." 1
