Title: COVID-19 Pandemic / Economy Reopening / Community Health Workers / Contact Tracers / Community Care Corps

Position: Support

Summary:

The Historic Highland Park Neighborhood Council (HHPNC) supports this motion calling for the development of a Community Care Corps, to fill the gaps in our healthcare system while providing meaningful employment to Angelenos that need it. As stated in the motion, the coronavirus pandemic is worsening economic divides and requires a substantial government intervention to support our neighbors who have lost their income. This "New Deal style" hiring plan will create a new kind of essential worker, on the frontline combating the spread of COVID-19, and connecting community members with essential health services.
