Summary: The Greater Cypress Park Neighborhood Council supports this motion calling for the development of a Community Care Corps, to fill the gaps in our healthcare system while providing meaningful employment to Angelenos that need it most. As stated in the motion, the coronavirus pandemic is worsening economic divides and requires a substantial government intervention, racial equity, and priority to support our neighbors who have lost their income. This “New Deal style” hiring plan will create a new kind of essential worker, on the frontline combating the spread of COVID-19, and connecting community members with essential health services. We also advise hiring from the Greater Cypress Park community.
