1. Approve the use of grant funding to support the following Housing and Community Investment (HCID) positions:
 - a. One existing Management Analyst (Class Code 9184-0) filled in lieu by a Management Assistant (Class Code 1539) from February 15, 2021 through June 30, 2021; and,

2. Authorize the General Manager of the HCID, or designee, to:
 - a. Negotiate and execute a sole source contract with the Liberty Hill Foundation to implement a public outreach and education program in underrepresented, underserved, low-income communities related to long range planning and housing policy initiatives, for a compensation amount not to exceed \$60,000 and contract term of three years from the date of execution, in substantial conformance with the draft contract attached to this report, subject to the approval of the City Attorney as to form and legality, and compliance with the City's contracting requirements;
 - b. Execute a First Amendment to Contract Number C-135365 with IBI Group, Inc., to increase the compensation by \$100,000 for a new cumulative compensation amount not to exceed \$550,000, and extend the contract term by 11 months for a new end date of December 31, 2023, in substantial conformance with the draft Amendment

attached to this report, subject to the approval of the City Attorney as to form and legality, and compliance with the City's contracting requirements; and,

- c. Prepare Controller instructions and make any necessary technical adjustments consistent with the Mayor and Council action on this matter, subject to the approval of the City Administrative Officer, and request the Controller to implement the instructions;
3. Instruct the HCID to submit a request to fill the Housing Planning and Economic Analyst vacancy through the hiring freeze exemption process, subject to the Mayor and Council's approval of the Mid-Year Financial Status Report (C.F. 20-0600-S90) and reinstatement of the Managed Hiring process; and,
 4. Adopt Recommendation E of the HCID transmittal dated March 15, 2021 relative to the City's 2020 Local Early Action Plan (LEAP) grant award.

SUMMARY

The Housing and Community Investment Department (HCID) requests various authorities relative to the California Department of Housing and Community Development's (State) 2020 Local Early Action Planning (LEAP) Grant award of \$1.5 million, including approving the funding of two existing HCID position authorities, and authorizing the HCID to: 1) fill the Housing Planning and Economic Analyst (HPEA) vacancy as soon as feasible, but no later than July 1, 2021; 2) negotiate and execute a grant-funded sole source contract with the Liberty Hill Foundation; and 3) execute a First Amendment to Contact No. C-135365 with the IBI Group, Inc. The HCID also requests that the Council authorize the Controller to set up a grant receivable and appropriation accounts for the grant award. This Office does not recommend authorizing the HCID to fill the HPEA vacancy in order to be consistent with the City's hiring moratorium and the Mayor and Council's pending approval of the reinstatement of Managed Hiring, the hiring freeze exemption process (C.F. 20-0600-S90). This Office concurs with the remaining recommendations of the Department, as amended to 1) incorporate the draft proposed contract and amendment attached to this report, and 2) have the proposed contract and amendment be subject to the review of the City Attorney as to form and legality, and compliance with the City's contracting requirements.

On July 1, 2020, the Council and Mayor authorized the HCID to apply and accept the LEAP grant, if awarded. The LEAP grant provides one-time grant assistance to cities and counties to update their planning documents and implement process improvements that will facilitate the acceleration of housing production. The grant can also be used to help local governments update the sixth Cycle Regional Housing Needs Allocation. The HCID was notified of its grant award of \$1.5 million on October 16, 2020. The LEAP grant funds will be released to the City on a reimbursement basis, do not require a match from the City, and must be expended by December 31, 2023. Additional information regarding the LEAP grant can be found in the HCID transmittal dated March 15, 2021 (Report). The State approved the HCID's proposal to allocate the \$1.5 million over a three-year period in the following categories: 1) \$700,000 for staffing, outreach, and resources needed to update and implement the Housing Element of the General Plan; 2) \$550,000 to accelerate system improvements for the production of affordable housing development; and, 3) \$250,000 to

streamline and expand affordable housing on public land. The HCID will be working with the Department of City Planning in the effort to update the Housing Element of the General Plan, which is due to the State in October 2021. The HCID also confirmed that it will request the necessary authorities related to the housing development system improvements under a separate cover.

The \$700,000 for the staffing, outreach, and resources needed to update and implement the Housing Element of the General Plan will be allocated as follows: 1) \$628,175 for HCID staff charges, related costs, and lease costs throughout the grant period; 2) \$60,000 for public outreach and education contractual services; 3) \$3,000 to produce materials accessible to underrepresented groups, including translation services; and, 4) \$8,825 for data and analytical subscriptions, including Policymap and CoStar. The grant funds will fund one existing, vacant HPEA position authority to support the Housing Element update efforts, as well as various administrative and support positions to support the LEAP grant. The HCID has temporarily reassigned one existing Management Analyst position filled in lieu by a Management Assistant to the Public Policy and Research (PPR) Unit to complete initial grant deliverables while the HPEA position is vacant. This Office does not recommend authorizing the HCID to fill the HPEA vacancy at this time. On December 3, 2020, the Mayor and Council approved a temporary moratorium on hiring and promotions Citywide (C.F. 20-0600-S84). At its March 22, 2021 meeting, the Budget and Finance Committee approved the Mid-Year Financial Status Report (FSR) (C.F. 20-0600-S90), which included a recommendation to rescind the moratorium on hiring and reinstate the Managed Hiring process previously approved through the budget and amended by C.F. 20-0600-S79. The managed hiring process would include a process for departments to request exemptions from the hiring freeze for positions that are essential to public health and safety, legally mandated, revenue generating, or fully special funded. This Office recommends that the Management Assistant continue to support the PPR Unit and that the HCID request to fill the position through the hiring freeze exemption process, pending the Mayor and Council's approval of the Mid-Year FSR and reinstatement of the Managed Hiring process.

The HCID also requests authority to execute a sole source contract with the Liberty Hill Foundation (LHF) with a compensation amount of \$60,000 to implement a public outreach and education program in underrepresented, underserved, low-income communities related to long range planning and housing policy initiatives, including the Housing Element Update. The LHF will coordinate with community-based organizations (CBOs) to gather input and qualitative data from the public, especially residents from historically marginalized communities. The HCID indicates that it sought entities with experience in public and education outreach efforts to underserved and hard to reach populations and selected LHF due to their: 1) online presence; 2) experience working with CBOs serving low-income and underserved communities through other government-contracted outreach efforts, including the County of Los Angeles's Eviction Defense Program; and, 3) organizational infrastructure to implement a public outreach and education program. The City Attorney concurs that a sole source contract with the LHF is justified due to: 1) the unique nature of the requested work; 2) the timeliness of the work to be performed; and, 3) the LHF's experience in coordinating outreach programs electronically given the COVID-19 pandemic situation.

Lastly, the HCID requests authority to execute a First Amendment to Contract Number C-135365 with IBI Group, Inc. (IBI) to streamline affordable housing on public land. The HCID executed its existing contract with IBI on March 12, 2020 with a compensation amount of \$450,000 and a

contract term of three years, subject to the availability of funds. The IBI works with the HCID in the planning and design of City-owned land to be used for affordable housing prior to releasing a Request for Proposals to seek developers. The HCID indicates that it intends to create an interdisciplinary team to build partnerships with public agencies with surplus public land available that could be opportunity sites for affordable housing development. The \$250,000 in LEAP grant funds will augment the existing contract and enable IBI to assist HCID in creating plans and designs for any public land opportunity sites identified. Only \$300,000 of the original \$450,000 IBI contract authority has been budgeted to date. The original contract and proposed First Amendment will cumulatively total \$550,000 with a breakdown as follows:

IBI Contract Funding and Terms		
	Contract Amount	Contract Term
2019-20 Budget	\$ 150,000	2/1/2020 – 1/31/2023
2020-21 Budget	150,000	2/1/2020 – 1/31/2023
LEAP Grant funds (pending)	250,000	2/1/2020 – 12/31/2023
Total	\$ 550,000	

Additional information regarding both contractual services can be found in the HCID’s Report. Subsequent to the release of its Report, the HCID provided a draft contract and draft First Amendment, which are attached to this report for Council’s consideration. Pursuant to Charter Section 1022, the Personnel Department determined that City employees do not have the necessary qualifications to perform the outreach and education services related to long range housing planning or initiatives. The Personnel determined that City employees do have the necessary qualifications to perform the publicly-owned land analysis and design services. This Office determined that it is more feasible to contract for the latter service because the requested work exceeds staffing availability and additional staff cannot be deployed or trained in a timely manner. Additionally, this Office finds that the proposed contract with the LHF and First Amendment with IBI meet the contractual exemption criteria outlined in the Mayor’s Fiscal Year 2020-21 Cost Containment Measures memorandum dated June 24, 2020 in that the proposed contract and First Amendment will be funded by grant funds and will have no impact on the General Fund.

FISCAL IMPACT STATEMENT

There is no impact to the General Fund. The proposed grant activities will be funded by the California Department of Housing and Community Development’s 2020 Local Early Action Planning (LEAP) Grant.

FINANCIAL POLICIES STATEMENT

The recommendations in this report comply with the City’s Financial Policies.

THIS AGREEMENT is entered into between the City of Los Angeles (“City”), a municipal corporation, and Liberty Hill Foundation, a California nonprofit corporation (“Contractor”), for the provision of services related to Public Outreach and Education Program for Long Range Housing Plans.

RECITALS

WHEREAS, the City has entered into an agreement with the U. S. Department of Treasury, (“Grantor”), to address the needs of the City, and the Grantor has awarded Local Early Action Planning (LEAP) funds (“the Fund” or also generally referred to as “grant funds” or “grant(s)”) to the City for this purpose; and

WHEREAS, the Housing and Community Investment Department (“HCID”), has been designated by the City to provide for the proper planning, coordination, direction and management of the City’s various programs it administers; and

WHEREAS, HCID cooperates with private organizations, other agencies of the City and agencies of other governmental jurisdictions in carrying out certain functions and programs which are its responsibility; and

WHEREAS, the services to be provided herein are of a professional, expert, temporary and occasional nature; and

WHEREAS, due to the rapid turnaround time to complete and submit a City-adopted Housing Element Update Plan and the current global COVID-19 pandemic situation, it has become much more difficult to reach historically underserved populations who may not participate in the City’s current virtual outreach efforts. Therefore, the City will be relying on the expertise of the Contractor, who has existing relationships with various community-based organizations with deep ties to these historically underserved communities in order to gather the necessary information required for the City to enhance and accelerate the production of affordable housing. The Contractor will assist the City in gathering the data necessary to complete and adopt the Housing Element Update Plan; and

WHEREAS, pursuant to Los Angeles City Charter §1022, the City Council or designee has determined that the work can be performed more economically or feasibly by independent contractors than by City employees; and

WHEREAS, the City and the Contractor are desirous of executing this Agreement as authorized by the City Council and the Mayor (refer to Council File Number XX-XXXX dated MONTH XX, 2021 and MONTH XX, 2021 respectively), that authorizes the General Manager of HCID to prepare and execute the Agreement.

NOW, THEREFORE, the City and Contractor agree as follows:

C. Payment to the Contractor

1. The City makes no commitment to fund this project beyond the initial Term of this Agreement. The City shall review Contractor's performance on a periodic basis. In the event the City determines that Contractor is not meeting its proposed performance measures, the City may unilaterally reduce the compensation set forth above in compliance with the provisions set forth in this Agreement, upon written notice to Contractor and as set forth by a written amendment.

2. Contractor shall be reimbursed for reasonable and allowable expenses incurred. Unless Contractor has been approved to receive advance payments, all payments shall be on reimbursement basis. Contractors who are on an advance payment plan authorized by the City as described in the Budget shall bill the City for all reasonable and allowable costs incurred.
 3. Contractors not on advance payment plan shall request reimbursements by submitting the cash request, monthly expenditure report and all other documents as required by City. Contractor shall be reimbursed after City has received the monthly expenditure report and all other required documents and after City determines that Contractor has incurred and expended funds for reasonable and allowable costs under this Agreement.
 4. Reasonable and allowable costs shall be determined pursuant to the Allowable and Unallowable Cost section herein.
- D. Stand-In Costs: Contractor shall identify, document, and account for stand-in costs. These stand-in costs shall be reported to the City on a quarterly basis.

Part 200, that are applicable to indirect costs do not apply. Contractor may not apply its indirect costs rates to payments received from the Fund. Contractor is permitted to use payments from the Fund to cover the expenses of an audit conducted under the Single Audit Act, subject to the limitations set forth in 2 C.F.R. § 200.425. Pursuant to that provision of the Uniform Guidance, if Contractor is subject to the Single Audit Act, Contractor may use payments from the Fund to cover a reasonably proportionate share of the costs of audits attributable to the Fund.
- G. Applicable Discounts: Contractor warrants that any applicable discounts have been included in the costs billed to the City.

§401 WITHHELD PAYMENTS

- A. Unearned payments under this Agreement may be suspended or not released if funds granted to the City are suspended or terminated.

Upon final determination by the City of disallowed expenditures or indebtedness, the City may deduct and retain the amount of the disallowance or indebtedness from the amount of the withheld earned funds.
- C. In the event of a final determination of disallowed costs or a determination of unearned grant funds by either the City, the State, or Grantor, Contractor agrees that it shall pay to the City in non-federal funds, the amount of the final disallowance within thirty (30) days of receipt of notice from the City that such funds are due.
- D. Payments to the Contractor may be unilaterally withheld or reduced by the City if the Contractor fails to comply with the provisions contained herein.

- B. Interest earned on advances received by Contractor is program income. All interest earned must be reported as part of the Contractor's monthly expenditure report and must be returned to the City quarterly by separate check made payable to the City and which identifies that the amount represents interest earned on advanced funds.
- C. Any program income must be reported to the City on the expenditure report, and must be returned to the City in accordance with the City's written direction to the Contractor. - B. Contractor shall submit a complete and accurate final closeout invoice of costs and reimbursements for services performed hereby to the City within forty-five (45) days following the termination or completion of this Agreement. Failure by Contractor to comply with the 45 day requirement may result in a unilateral close-out by the City based on previous invoices filed with the City, and/or the imposition of sanctions as specified herein. Requests for payment after the 45 days shall not be paid by the City.

§407 VALIDITY OF FINANCIAL DOCUMENTATION SUBMISSIONS

Financial reports submitted to the City shall be accurate and correct in all respects. Should inaccurate reports be submitted to the City, the City may elect to have the Contractor secure the services of a licensed accounting firm. Cost of such accounting services are to be borne by the Contractor and are not to be reimbursed from the funds authorized hereby unless specifically agreed to between Contractor and the City by written amendment.

5. STANDARD PROVISIONS

The provisions of the body of this Agreement shall prevail over the provisions of the Standard Provisions for City Contracts should there be any inconsistency. The term “contract” as used in the Standard Provisions for City Contracts shall include this Agreement.

Section 701 et seq., the Fair Housing Act, and its implementing regulations and any subsequent amendments; and California Government Code Section 11135.
- B. Not discriminate on the basis of disability or on the basis of a person’s relationship to, or association with, a person who has a disability.
- C. Provide reasonable accommodation upon request to ensure equal access to all of its programs, services and activities.

Contractor understands that the City is relying upon these certifications and representations as a condition to funding this Agreement.

Contractor shall require its subcontractors, if any, to include this language in any subcontract.

§502 INSURANCE

A. General Conditions

- 1. During the Term and without limiting Contractor’s duty of indemnification herein, Contractor shall provide and maintain at its own expense a program of insurance having coverage and limits customarily carried

and actually arranged by the Contractor but not less than the amounts and types listed on the Required Insurance And Minimum Limits Sheet (Form Gen. 146) in Exhibit "B" hereto, covering its operations hereunder. Such insurance shall conform to City requirements established by Charter, ordinance or policy, shall comply with instructions set forth on the City of Los Angeles—Instructions And Information On Complying With City Insurance Requirements (Revised 05/18) document, and shall otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. Specifically, such insurance shall: 1) protect City as an Insured or an Additional Interest Party, or a Loss Payee As Its Interest May Appear, respectively, when such status is appropriate and available depending on the nature of applicable coverage; 2) provide City at least thirty (30) days advance written notice of cancellation, material reduction in coverage or reduction in limits when such change is made at option of the insurer; and 3) be primary with respect to City's insurance plan. Except when City is a named insured, Contractor's insurance is not expected to respond to claims which may arise from acts or omissions of the City.

2. The standard City insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverages and limits shall be described by contractor in any RFP for subcontractor services. These coverages and limits should be tailored to the individual subcontract. For City contracts, Required Insurance and Minimum Limits are set by the City Risk Management staff in the Office of the City Administrative Officer on the Form Gen. 146. Electronic submission is the preferred method of submitting your evidence of insurance documents. **KwikComply** is the City's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the ACORD 25 Certificate of Liability Insurance in electronic format. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply™** at <http://kwikcomply.org> and follow the instructions to register and submit the appropriate proof of insurance on your behalf. Additional instructions and information on complying with City insurance requirements can be found at http://cao.lacity.org/risk/Submitting_proof_of_Insurance.pdf.

B. Modification of Coverage

City reserves the right at any time during the Term to change the amounts and types of insurance required hereunder by giving Contractor ninety (90) days advance written notice of such change. If such change should result in substantial additional cost to Contractor, City agrees to negotiate additional compensation proportional to the increased benefit to City.

C. Failure to Procure Insurance

All required insurance must be submitted and approved by the City Administrative Officer/Risk Management/Insurance and Bonds prior to the performance of services, inception of any operations or tenancy by Contractor. The required coverages and limits are subject to availability on the open market at reasonable cost as determined by City. Non-availability or non-affordability must be documented by a letter from Contractor's insurance broker or agent indicating a good faith effort to place the required insurance and showing as a minimum the names of the insurance carriers and the declinations or quotations received from each.

Within the foregoing constraints, Contractor's failure to procure or maintain required insurance or a self-insurance program during the Term shall constitute a material breach of this Agreement under which City may immediately suspend or terminate this Agreement or, at its discretion, procure or renew such insurance to protect City's interests and pay any and all premiums in connection therewith and recover all monies so paid from Contractor.

D. Workers' Compensation

By signing this Agreement, Contractor hereby certifies that it is aware of the provisions of §3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and that it shall comply with such provisions at all such times as they may apply during the performance of the work pursuant to this Agreement.

A Waiver of Subrogation in favor of City shall be required when work is performed on City premises under hazardous conditions.

§503 NONDISCRIMINATION AND AFFIRMATIVE ACTION

- A. Contractor shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. In performing this Agreement, the Contractor shall not discriminate in its employment practices, including compensation, against any employee or applicant for employment, because of such person's race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, citizenship and political affiliation or belief. Contractor shall comply with Executive Order 11246, entitled "Equal Employment Opportunity," as amended by Executive Order 11375, and as supplemented in Department of Labor regulations (41 CFR Part 60).

If this Agreement contains a consideration in excess of One Thousand Dollars (\$1,000), Contractor shall comply with the Equal Employment practices provisions of Los Angeles Administrative Code §10.8.3, in which event said provisions are incorporated herein by this reference. If this Agreement contains a consideration in excess of Twenty Five Thousand Dollars (\$25,000), the Affirmative Action Program of this Agreement shall be the mandatory contract provisions set forth in Los Angeles Administrative Code §10.8.4, in which event said provisions are incorporated herein by this reference. The Contractor shall also comply with all rules, regulations, and policies of the City's Board of Public Works, Office of Contract Compliance relating to nondiscrimination and affirmative action.
- C. Any subcontract entered into by Contractor relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this section.
- D. No person shall on the grounds of race, religion, national origin, ancestry, sex, sexual orientation, gender identification, transgender status, sex stereotypes, age, physical handicap, mental disability, medical condition, marital status, domestic partner status, pregnancy, childbirth and related medical conditions, citizenship, and political affiliation or belief be excluded from participation in, be denied the benefit of, or be subjected to discrimination under this program/project. For purposes of this section, Title 24 Code of Federal Regulations Part 107 and §570.601(b) defines specific discriminatory actions that are prohibited and corrective action that shall be taken in a situation as defined therein.
- E. Contractor agrees to adhere to the Non-Discrimination/Equal Employment Practices ("ND/EEP") and Affirmative Action ("AA") program provisions during the entire duration of this contract. Contractor acknowledges its responsibility to comply with any and all ND/EEP and AA provisions as set forth in the applicable statutes, ordinances, rules, regulations, and/or laws.

8. Contractor shall not subcontract with a former director, officer, or employee within an one-year period following the termination of the relationship between said person and the Contractor.
9. For further clarification of the meaning of any of the terms used herein, the parties agree that references shall be made to the guidelines, rules, and laws of the City, State, and federal regulations regarding conflict of interest.

§619 ADMINISTRATIVE HEARING FOR DENIAL OF CLIENT BENEFITS BY CONTRACTOR – IF APPLICABLE

- A. Contractor has read and agrees to strictly comply with Title 22 of the California Code of Regulations, §100751, as amended, which sets forth elements to be included in client benefit denial appeal procedures and shall advise individuals who have been denied assistance of their 20-day right to appeal to the State for an administrative hearing pursuant to 42 U.S.C. §8624(b) (13), as amended.
- B. The client may withdraw request for appeal for administrative hearing at any time during the appeal process by rendering written or oral notice to the State. Where oral notice is given, such notice shall be confirmed in writing by the parties.
- C.

§620 FAITH-BASED ACTIVITIES

Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the grant-funded program. However, a contractor that participates in a grant-funded program shall comply with the following provisions if it is deemed to be a religious or faith-based organization.

- A. Contractor may not engage in inherently religious activities, such as worship, religious instruction, or proselytization, as part of the programs or services funded under this Agreement. If Contractor conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this Agreement, and participation must be voluntary for the beneficiaries of the grant-funded programs or services.
- B. A religious or faith-based contractor shall retain its independence from federal, State, and local governments, and may continue to carry out its mission, including the definition, practice, and expression of its religious beliefs, provided that it does not use direct grant funds to support any inherently religious activities, such as worship, religious instruction, or proselytization.
- C. A religious or faith-based contractor may use space in their facilities to provide grant funded services, without removing religious art, icons, scriptures, or other religious symbols.

- D. A religious or faith-based contractor retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.
- E. A religious or faith-based contractor shall not, in providing program assistance, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion or religious belief.
- F. Grant funds may not be used for the acquisition, construction, or rehabilitation of structures to the extent that those structures are used for inherently religious activities.
- G. Grant funds may be used for the acquisition, construction, or rehabilitation of structures only to the extent that those structures are used for conducting eligible activities under this section. Where a structure is used for both eligible and inherently religious activities, grant funds may not exceed the cost of those portions of the acquisition, construction, or rehabilitation that are attributable to eligible activities in accordance with the cost accounting requirements applicable to grant funds herein. Sanctuaries, chapels, or other rooms that a grant funded religious congregation uses as its principal place of worship, however, are ineligible for grant funded improvements. Disposition of real property after the term of the grant, or any change in use of the property during the term of the grant, is subject to government-wide regulations governing real property dispositions.

§621 CHILD ABUSE

Contractor shall comply with the provisions of the California Child Abuse and Neglect Reporting Act (California Penal Code §11164 *et seq.*), and specifically §§ 11165.7, 11165.9 and 11166 therein.

7. SUBCONTRACT AND PROCUREMENT PROCEDURES

Contractor shall comply with the federal and City standards in the award of any subcontracts. For purposes of this Agreement, subcontracts shall include, but not be limited to, purchase agreements, rental or lease agreements, third party agreements, consultant service contracts and construction subcontracts. Contractor shall comply with subcontracting/procurement requirements set forth in Exhibit "I", which is attached hereto and incorporated herein by reference, and shall ensure that the terms of this Agreement are incorporated into all subcontractor agreements. Contractor shall submit all subcontractor agreements to the City for review prior to the release of any funds to the subcontractor. Contractor shall withhold funds to any subcontractor that fails to comply with the terms and conditions of this Agreement and their respective subcontractor agreement.

8. REMEDIES

§801 DEFAULTS

- A. Notify Contractor of performance deficiencies in accordance with §804 of this Agreement.
- B. Withhold the release of funds.
- C. Require that no funds be advanced to Contractor until Contractor has provided for the security of funds advanced by a Surety/performance bond. The amount and form of the security, if required, shall be determined by the City as noted on the Insurance Requirement Form and is subject to prior City approval.
- D. Modify and/or renegotiate the funding/service level and/or make any changes in the general scope of this Agreement.
- E. Require Contractor to secure at its own expense the services of independent experts.
- F. Require specific performance progress reports for identified time periods.
- G. Reduce compensation within the scope of the City's reallocation policy.
- H. Suspend operations in accordance with §803 below of this Agreement.
- I. Terminate the Agreement.

§802 NOTICE TO CORRECT PERFORMANCE

- A. The City may notify Contractor of its failure to comply with the terms and conditions of this Agreement by giving written notice, effective upon date of such notice, which states the specific performance deficiencies to be corrected.
- B. Within five (5) working days, Contractor shall reply in writing setting forth the corrective actions that shall be undertaken to remedy the performance deficiencies, which actions are subject to City approval in writing.
- C. Contractor shall thereafter submit monthly progress reports to the City in accordance with the City approved corrective action plan specifying the actions taken and resolution of the performance deficiencies.

§803 SUSPENSION OF THE AGREEMENT

- A. The City may, by giving written notice, suspend all or part of the project operations for Contractor's failure to comply with the terms and conditions of this Agreement; and may notify the bank identified on the City form referenced in §104.A.3 above that all funds are frozen pending further notice from the City. This Notice of Suspension shall be effective upon the date of the City's written notice.
- B. This notice shall set forth the specific conditions of noncompliance and the period provided for corrective action.
- C. Within five (5) working days from the date of written City notification, Contractor shall reply in writing setting forth the corrective actions which shall be undertaken, subject to City approval in writing.

§804 TERMINATION OF AGREEMENT

- A. At any time during the Term the City may terminate this Agreement, or any part of the Agreement, upon giving Contractor at least 30 days written notice prior to the effective date of the termination, which date shall be specified in the notice. The City is not required to use other remedies provided herein prior to issuing a 30 day notice to terminate the Agreement. Upon the receipt of such notice, Contractor shall immediately take action not to incur any additional obligations, cost or expenses, except as may be reasonably necessary to terminate its activities or as otherwise approved by the City.
- B. Contractor shall retain and dispose of all customers' documents and related records required by Contractor under this Agreement, in accordance with City Directives or written instructions. All finished and unfinished documents and materials procured for or produced under this Agreement, including all intellectual property rights thereto, shall become City property upon the date of such termination. Contractor agrees to execute any

documents necessary for the City to perfect, memorialize or record the City's ownership of rights provided herein.

- C. Contractor shall return to the City all equipment that was purchased with City grant funds pursuant to this Agreement.
- D. In the event Contractor dissolves or otherwise goes out of existence, copies of all records relating to the project or activity that are the subject of this Agreement shall be furnished to the City.
- E. Upon satisfactory completion and documentation of termination activities, the City shall determine the total amount of funds earned by Contractor.
- F. The City may withhold any payments due to Contractor after notice of termination has been issued for the purpose of set-aside until the exact amount of damages or unearned dollars due to the City from Contractor is determined.
- G. Subsections B, C, D, E, and F above shall also apply to Agreements terminating upon the date specified in §201 of the foregoing Agreement or upon completion of performance of this Agreement.
- H. This Agreement may be terminated immediately for any violation of City Lobbying Ordinances.
- I. In the event the City terminates this Agreement as provided in this section, the City may procure, upon such terms and in such manner as the City may deem appropriate, services similar in scope and level of effort to those so terminated, and Contractor shall be liable to the City for all of its costs and damages, including, but not limited to, any excess costs for such services.
- J. If, after notice of termination of this Agreement, under the provisions of this section, it is determined for any reason that Contractor was not in default under the provisions of this section, or that the default was excusable under the terms of this Agreement, the rights and obligations of the parties shall be the same as if the notice of termination had not been issued pursuant to this section.

§805 NOTICES OF SUSPENSION OR TERMINATION

In the event that this Agreement is suspended or terminated, Contractor shall immediately notify all employees and customers and shall notify in writing all other parties contracted with under the terms of Agreement within five (5) working days from the City's written notice.

9. MISCELLANEOUS

§901 SURVIVAL OF TERMS AND CONDITIONS

All terms and conditions of this Agreement which impose a duty, obligation or requirement on Contractor that extend beyond the Term hereof shall survive the termination of this Agreement. Such terms and conditions shall include, but not be limited to, §§404 through 407, 505(A)(2), 602, 604 and 608.

§902 ORDER OF PRECEDENCE

In the event of any inconsistency between the documents regarding this Agreement, said inconsistency shall be resolved by giving precedence to (i) the body of the Agreement, (ii) the terms of applicable City ordinances and regulations, (iii) the other exhibits and attachments hereto, and (iv) any documents provided by Contractor.

§903 RATIFICATION CLAUSE

Due to the need for the Contractor's services to be provided upon commencement of the Term, Contractor may have provided services prior to the execution of this Agreement. To the extent that said services were performed in accordance with the terms and conditions of this Agreement, those services are hereby ratified and accepted.

§904 COUNTERPARTS AND ELECTRONIC SIGNATURES

This Agreement may be executed in one or more counterparts, and by the parties in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. The parties further agree that facsimile signatures or signatures scanned into .pdf (or signatures in another electronic format designated by City) and sent by e-mail shall be deemed original signatures.

§905 NUMBER OF PAGES AND ATTACHMENTS

This Agreement is executed in three (3) duplicate originals, each of which is deemed to be an original. This Agreement includes thirty-two (32) pages and nine (9) exhibits that constitute the entire understanding and agreement of the parties. STANDARD PROVISIONS FOR CITY CONTRACTS

PSC – 1. CONSTRUCTION OF PROVISIONS AND TITLES HEREIN

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against the **CITY** or **CONTRACTOR**. The word “**CONTRACTOR**” includes the party or parties identified in this Contract. The singular shall include the plural; if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC – 2. APPLICABLE LAW, INTERPRETATION AND ENFORCEMENT

Each party’s performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including, but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any law of a federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of the Contract shall not be affected.

PSC – 3. TIME OF EFFECTIVENESS

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of the **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC – 4. INTEGRATED CONTRACT

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC – 5. AMENDMENT

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC – 6. EXCUSABLE DELAYS

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC – 7. WAIVER

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC – 8. SUSPENSION

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC – 9. TERMINATION

A. TERMINATION FOR CONVENIENCE

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. TERMINATION FOR BREACH OF CONTRACT

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.
3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
- 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
- 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
- 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC – 10. INDEPENDENT CONTRACTOR

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC – 11. CONTRACTOR'S PERSONNEL

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC – 12. ASSIGNMENT OR DELEGATION

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC – 13. PERMITS

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC – 14. CLAIMS FOR LABOR AND MATERIALS

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC – 15. CURRENT LOS ANGELES CITY BUSINESS TAX REGISTRATION CERTIFICATE REQUIRED

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC – 16. RETENTION OF RECORDS, AUDIT AND REPORTS

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC – 17. BONDS

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC – 18. INDEMNIFICATION

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC – 19. INTELLECTUAL PROPERTY INDEMNIFICATION

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC – 20. INTELLECTUAL PROPERTY WARRANTY

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributory, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC – 21. OWNERSHIP AND LICENSE

Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.

GENERAL INFORMATION

1. **Agreement/Reference** All evidence of insurance should identify the nature of your business with the CITY. Clearly show any assigned number of a bid, contract, lease, permit, etc. or give the project name and the job site or street address to ensure that your submission will be properly credited. Provide the **types of coverage and minimum dollar amounts** specified on the Required Insurance and Minimum Limits sheet (Form Gen. 146) included in your CITY documents.

2. **When to Submit** Normally, no work may begin until a CITY insurance certificate approval number ("CA number") has been obtained, so insurance documents should be submitted as early as practicable. For **As-needed Contracts**, insurance need not be submitted until a specific job has been awarded. **Design Professionals** coverage for new construction work may be submitted simultaneously with final plans and drawings, but before construction commences.

3. **Acceptable Evidence and Approval** Electronic submission is the preferred method of submitting your documents. **KwikComply** is the CITY's online insurance compliance system and is designed to make the experience of submitting and retrieving insurance information quick and easy. The system is designed to be used primarily by insurance brokers and agents as they submit client insurance certificates directly to the City. It uses the standard insurance industry form known as the **ACCORD 25 Certificate of Liability Insurance** in electronic format. KwikComply advantages include standardized, universally accepted forms, paperless approval transactions (24 hours, 7 days per week), and security checks and balances. The easiest and quickest way to obtain approval of your insurance is to have your insurance broker or agent access **KwikComply** at <https://kwikcomply.org/> and follow the instructions to register and submit the appropriate proof of insurance on your behalf.

Contractor must provide City a thirty (30) day notice of cancellation (ten (10) days for nonpayment of premium) AND an Additional Insured Endorsement naming the CITY an additional insured completed by your insurance company or its designee. If the policy includes an automatic or blanket additional insured endorsement, the Certificate must state the CITY is an automatic or blanket additional insured. An endorsement naming the CITY an Additional Named Insured and Loss Payee as Its Interests May Appear is required on property policies. All evidence of insurance must be authorized by a person with authority to bind coverage, whether that is the authorized agent/broker or insurance underwriter.

Additional Insured Endorsements DO NOT apply to the following:

- Indication of compliance with statute, such as Workers' Compensation Law.
- Professional Liability insurance

Verification of approved insurance and bonds may be obtained by checking **KwikComply**, the CITY's online insurance compliance system, at <https://kwikcomply.org/>.

4. **Renewal** When an existing policy is renewed, have your insurance broker or agent submit a new Accord 25 Certificate or edit the existing Accord 25 Certificate through KwikComply at <https://kwikcomply.org/>.

5. **Alternative Programs/Self-Insurance** Risk financing mechanisms such as Risk Retention Groups, Risk Purchasing Groups, off-shore carriers, captive insurance programs and selfinsurance programs are subject to separate approval after the CITY has reviewed the relevant audited financial statements. To initiate a review of your program, you should complete the Applicant's Declaration of Self Insurance form (<http://cao.lacity.org/risk/InsuranceForms.htm>) to the Office of the City Administrative Officer, Risk Management for consideration.

6. **General Liability** insurance covering your operations (and products, where applicable) is required whenever the CITY is at risk of third-party claims which may arise out of your work or your presence or special event on City premises. **Sexual Misconduct** coverage is a required coverage when the work performed involves minors. **Fire Legal Liability** is required for persons occupying a portion of CITY premises. (Information on two CITY insurance programs, the SPARTA program, an optional source of low-cost insurance which meets the most minimum requirements, and the Special Events Liability Insurance Program, which provides liability coverage for short-term special events on CITY premises or streets, is available at (www.2sparta.com), or by calling (800) 420-0555.)

7. **Automobile Liability** insurance is required only when vehicles are used in performing the work of your Contract or when they are driven off-road on CITY premises; it is not required for simple commuting unless CITY is paying mileage. However, compliance with California law requiring auto liability insurance is a contractual requirement.

8. **Errors and Omissions** coverage will be specified on a project-by-project basis if you are working as a licensed or other professional. The length of the claims discovery period required will vary with the circumstances of the individual job.

9. **Workers' Compensation and Employer's Liability** insurance are not required for single-person contractors. However, under state law these coverages (or a copy of the state's Consent To Self Insure) must be provided if you have any employees at any time during the period of this contract. Contractors with no employees must complete a Request for Waiver of Workers' Compensation Insurance Requirement (<http://cao.lacity.org/risk/InsuranceForms.htm>). A Waiver of Subrogation on the coverage is required only for jobs where your employees are working on CITY premises under hazardous conditions, e.g., uneven terrain, scaffolding, caustic chemicals, toxic materials, power tools, etc. The Waiver of Subrogation waives the insurer's right to recover (from the CITY) any workers' compensation paid to an injured employee of the contractor.

10. **Property** Insurance is required for persons having exclusive use of premises or equipment owned or controlled by the CITY. Builder's Risk/Course of Construction is required during construction projects and should include building materials in transit and stored at the project site.

11. **Surety** coverage may be required to guarantee performance of work and payment to vendors and suppliers. A Crime Policy may be required to handle CITY funds or securities, and under certain other conditions. Specialty coverages may be needed for certain operations. For assistance in obtaining the CITY required bid, performance and payment surety bonds, please see the City of Los Angeles Contractor Development and Bond Assistance Program website address at <http://cao.lacity.org/risk/BondAssistanceProgram.pdf> or call (213) 258-3000 for more information

12. **Cyber Liability & Privacy** coverage may be required to cover technology services or products for both liability and property losses that may result when a CITY contractor engages in various electronic activities, such as selling on the Internet or collecting data within its internal electronic network. Contractor's policies shall cover liability for a data breach in which the CITY employees' and/or CITY customers' confidential or personal information, such as but not limited to, Social Security or credit card information are exposed or stolen by a hacker or other criminal who has gained access to the CITY's or contractor's electronic network. The policies shall cover a variety of expenses associated with data breaches, including: notification costs, credit monitoring, costs to defend claims by state regulators, fines and penalties, and loss resulting from identity theft. The policies are required to cover liability arising from website media content, as well as property exposures from: (a) business interruption, (b) data loss/destruction, (c) computer fraud, (d) funds transfer loss, and (e) cyber extortion.

If such a license upon these terms is unattainable, and City/State determines that the Intellectual Property should be included in or is required for Contractor's performance of this Agreement, Contractor shall obtain a license under terms acceptable to City/State.

K. Warranties

1. Contractor represents and warrants that:
 - a. It has secured and will secure all rights and licenses necessary for its performance of this Agreement. Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or City/State and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any

third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There are currently no actual or threatened claims by any such third-party based on an alleged violation of any such right by Contractor.

- b. Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
 - c. It has secured and will secure all rights and licenses necessary for Intellectual Property, including, but not limited to, consents, waivers or releases from all authors or music or performances used, and talent (radio, television, and motion picture talent), owners of any interest in and to real estate, site locations, property or props that may be used or shown.
 - d. It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to City/State in this Agreement.
 - e. It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance or computer software in violation of copyright laws.
 - f. It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
2. City/State makes no warranty that the intellectual property resulting from this sub-grant Agreement does not infringe upon any patent, trademark, copyright or the like, now existing or subsequently issued.

L. Intellectual Property Indemnity

1. Contractor shall indemnify, defend and hold harmless City/State and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products ("Indemnities") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim action, or proceeding, commenced or threatened) to which any of the Indemnities may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to: (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of City's/State's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or City/State and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that was issued after the effective date of this Agreement. City/State reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against City/State.
2. Should any Intellectual Property licensed by the Contractor to City/State under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve City's/State's right to use the licensed Intellectual Property in accordance with this Agreement at no expense to City/State. City/State shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for City/State to continue using the licensed Intellectual Property, or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, City/State may be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.
3. Contractor agrees that damages alone would be inadequate to compensate City/State for breach of any term of these Intellectual Property provisions herein by Contractor. Contractor acknowledges City/State would suffer irreparable harm in the event of such breach and agrees City/State shall be entitled to obtain

equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

M. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

§1 SUBCONTRACTS

- A. For the purpose of this Agreement, subcontracts shall include, but not be limited to purchase agreement or lease or rental agreements (excluding real property agreements), third-party agreements, consultant services subcontracts and construction subcontracts.
- B. Subcontracts entered into in the performance of this Agreement shall:
 - 1. Be subject to the terms and conditions set forth in this Agreement. City may require incorporation of the applicable provisions in a written agreement.
 - 2. Specifically prohibit assignment or transfer of interest without prior written approval by the City.
 - 3. Contractor must specifically provide proof, when applicable, of the appropriate permits and/or business licenses.
- C. A copy of each executed subcontract, or amendment(s) thereto, shall be submitted to the City for approval prior to execution.
- D. A copy of each executed subcontract, or amendment(s) thereto, shall be maintained by Contractor and provided to City upon written request.
- E. Subcontractor(s) shall be procured consistent with the Procurement Procedures outlined in this Agreement.

§2 PROCUREMENT PROCEDURES

It is the policy of the City of Los Angeles (City) to encourage fair and open competition in its procurement for goods and services. The requirements for a fair and open competition include the development of written procurement policies that include, but are not limited to all of the following subsections. Several of the provisions herein include City mandated rules and procedures in addition to the other grant requirements. Such policies are applicable to subcontractors to the extent permitted by law.

- A. Purpose: It is the intent of these rules that these procedures shall apply to all subcontracts including, but not limited to purchase agreements, lease or rental agreements (excluding real property agreements), third-party agreements, and consultant services subcontracts. All contractors are required to prepare written procurement procedures. All written procedures and policies for procurement activities are to be available for public inspection.
- B. Competition: The City and each of its contractors shall conduct procurement in a manner that provides full and open competition. Some of the situations considered to be restrictive of competition include, but are not limited to:
 - 1. Placing unreasonable requirements on firms or organizations in order for them to qualify to do business;
 - 2. Requiring unnecessary experience and excessive bonding;
 - 3. Noncompetitive pricing practices between firms or organizations, or between affiliated companies or organizations;
 - 4. Noncompetitive awards to consultants that are on retainer contracts;

5. Organizational conflicts of interest;
6. Specifying only a "brand name" product instead of allowing "an equal" product to be offered and describing the performance of other relevant requirements of the procurement;
7. Overly restrictive specifications; and
8. Any arbitrary action in the procurement process.

C. Responsibilities:

1. The following procedures shall apply to all procurements under this Agreement in order to ensure that all solicitations:
 - a. Incorporate a clear and accurate description of the technical requirements for the material, product or service to be procured. Such description shall not, in competitive procurement, contain features which unduly restrict competition; and
 - b. Identify all requirements that the offerors must fulfill and all other factors to be used in evaluating bids or proposals.
2. Issue a Public Notification: The notification must be made through an announcement in a local public medium (e.g., newspaper) or other media that covers the entire service area.
3. All steps of each procurement must be documented, including a description of the documentation process and where the documentation will be located.
4. Contractor shall provide a copy of the bid package to anyone who requests it. Contractor shall compile a list of everyone requesting a copy of the bid package.
5. The Contractor shall ensure that all pre-qualified lists of persons, firms or other organizations that are used to acquire goods and services are current and include sufficient numbers of qualified sources to ensure maximum open and free competition. The agencies listed on the bidder's list may be individually notified.
6. The Contractor shall maintain records that are sufficient to detail the significant history of a procurement procedure. These records shall include, but are not limited to the following: rationale for the method of procurement; the selection of contract type; contractor selection or rejection; rational and reasonable rating criteria and the basis for the contract type.
7. The Contractor shall keep records sufficient to insure that funds have not been spent unlawfully.
8. The Contractor shall retain all records pertinent to any procurement agreement/contract within the County of Los Angeles for a period of five (5) years following termination of the Agreement and after final disposition of all pending matters. "Pending Matters" include, but are not limited to an audit, litigation, or other activities involving records. Prior to destruction of records retained under this Agreement, the Contractor shall notify the City and request instructions on disposition of said records.
9. The Contractor shall not contract with any party that is debarred, suspended or otherwise excluded from participation in Federal assistance programs. All contracts shall include a self-certification from the contractor that it is not a debarred party.

The Federal government prohibits awards to any party that is debarred. The Federal government compiles a list of debarred parties. The Federal list is published by the General Services Administration. A copy may be obtained by telephoning the Superintendent of Documents (202-512-1600). The list will be issued as an Information Bulletin in May of each year. It is the Contractor's responsibility to ensure that funds are not awarded to entities on the debarment list.

10. Procurement activities must be concluded in a confidential manner. Staff involved in procurements must not divulge advance purchasing information, specific proposal/offer evaluation criteria, and negotiations with bidders or in-house discussions regarding procurement until such time as this information is released to all parties.
11. Contractor shall receive and log in proposals and establish a method for recording the date and time of arrival of proposals using either a log-in sheet, or a date/time stamp. Contractor shall establish a single location for receipt of proposals. Contractor shall ensure that the only proposals received by the deadline specified in the bid package qualify for the evaluation process unless there is a valid legal reason for otherwise considering a late proposal.
12. Contractor shall establish proposal evaluation procedures that shall include, but not be limited to the following:
 - a. Clear staff responsibilities: A procurement specialist shall be designated for each bid/proposal process. It shall be the responsibility of the specialist to insure compliance with these procurement rules;
 - b. Develop a standard worksheet or check-list for determining responsiveness of each proposal;
 - c. Establish and use evaluation criteria and a standard evaluation worksheet to be used in recording the evaluations of each proposal;
 - d. Prepare an analysis of costs to verify allowability and to determine reasonableness;
 - e. Identify staff responsibilities for completing proposal evaluation and for summarizing evaluation results;
 - f. Develop a description of methods for ensuring independence of ratings by those involved in the evaluation process (i.e., prohibit discussion among staff, sequestered evaluations);
 - g. Identify policy and process by which selection of awardee(s) will be made; and
 - h. Provide an opportunity for bidders to appeal staff recommendations.

Items a-c should be sufficiently completed before issuance of the bid package so relevant parts can be included.
13. Contractor shall identify complete and timely proposals. Contractor shall review the technical merits of these proposals based on the rating criteria contained in the bid package. Contractor shall review the cost proposals based on applicable cost principles and the technical proposal.
14. Contractor shall determine which proposals are in competitive range for technical response and based on the cost and price analysis conducted prior to the release of the bid package.
15. Contractor shall negotiate with organization(s) in the competitive range. Contractor shall establish policies and procedures governing face-to-face negotiations. Include in these policies opportunities to seek clarification of the proposal content, the offeror to submit a best and final proposal prior to final evaluation and award. Contractor shall include in the criteria that all responsive offerors in the competitive range are given fair and equal consideration based on the merits of their proposals. Contractor shall document these negotiations in writing.
16. Private for-profit entities must obtain prior written approval from the City for purchases of personal property (other than supplies) using Agreement funds.

17. Contractor shall conduct and document oversight to ensure compliance with these procurement procedures.
18. If the State of California, or the City of Los Angeles has established a debt against a service provider that has not been repaid or a repayment agreement plan has not be implemented, then the service provider shall be barred from receiving any future City funds.
19. Participation of Minorities, Women, Disadvantaged and Small Businesses

To the fullest extent possible in the administration of this Agreement, Contractor agrees to provide opportunities for minorities, women, disadvantaged and small businesses to participate in procurements under this Agreement.
20. Procurement shall be conducted at least once every three (3) years.
21. The Contractor shall not use funds provided under this Agreement to duplicate facilities or services available in the area (with or without reimbursement) from Federal, State, or local sources, unless it is demonstrated that the Agreement-funded alternative services or facilities would be more effective or more likely to achieve performance goals.

D. Cost or Price Analysis:

1. Contractor shall establish standards for the performance of cost or price analysis.
2. Contractor shall perform a cost or price analysis in connection with every procurement action, including contract modifications to determine that the expenditure is reasonable. The method and degree of analysis depends on the facts surrounding the particular procurement and pricing situation, but at a minimum, the Contractor shall make independent estimates before receiving bids or proposals.
 - a. A cost analysis is necessary when the offeror is required to submit the elements of the estimated cost, when adequate price competition is lacking, and for sole source procurement, including contract modifications or change orders, unless price reasonableness can be established on the basis of a catalog or market price of a commercial product sold in substantial quantities to the general public or based on prices set by law or regulation. As part of its bid, the offeror shall certify that to the best of its knowledge and belief, the cost data are accurate, complete and current at the time of agreement on price.
 - b. Contracts or modifications negotiated in reliance on such data should provide the awarding agency a right to a price adjustment to exclude any significant sum by which the price was increased because the contractor had submitted data that were not accurate, complete or current as certified.
 - c. Pursuant to the Coronavirus Relief Fund Guidance for State, Territorial, Local, and Tribal Governments updated September 2, 2020, the Fund is not administered as part of a traditional grant program and the provisions of the Uniform Guidance, 2 C.F.R. Part 200, that are applicable to indirect costs do not apply. Contractor may not apply its indirect costs rates to payments received from the Fund. Contractor is permitted to use payments from the Fund to cover the expenses of an audit conducted under the Single Audit Act, subject to the limitations set forth in 2 C.F.R. § 200.425. Pursuant to that provision of the Uniform Guidance, if Contractor is subject to the Single Audit Act, Contractor may use payments from the Fund to cover a reasonably proportionate share of the costs of audits attributable to the Fund. Any indirect costs in a proposal must be carefully reviewed to ensure that the costs are not duplicated by direct costs. Indirect costs must be allocated in accordance with an approved cost allocation plan.

- d. If a bidder proposes to use a subcontractor as part of its proposal, all costs in the proposed subcontract must also be evaluated in the same manner as for the primary proposal.
 - e. Cost analysis must carefully evaluate salaries of owners of sole proprietorships or partnerships who submit offers to ensure that they are in line with the services to be performed.
3. A price analysis should be used in all other instances to determine the reasonableness of the proposed contract price. The following price analysis techniques shall be used: i) comparison of proposed prices received; ii) comparison of prior prices received and current contract proposed prices for the same or similar requirement; iii) application of rough yardsticks (e.g., dollars per square foot, dollars per placement); iv) comparison with competitive published price lists and published market prices; and v) comparison with agency's independent developed cost estimates.

The following cost analysis shall be used to:

- a. Verify cost or pricing data and evaluate cost elements;
 - b. Evaluate the effect of the offeror's current practices on future costs;
 - c. Compare proposed costs for individual cost elements;
 - d. Verify that offeror's cost submissions are in accordance with cost principles (allowable/allocable); and
 - e. Review to determine that all necessary cost or pricing data have been submitted.
4. Agreement procurement shall not permit excess program income (for nonprofit and governmental entities) or excess profit (for private for-profit entities). If profit or program is included in the price, the City or the Contractor shall negotiate profit or program income as a separate element of the price for each contract/subcontract in which there is no price competition and in all cases where cost analysis is performed. To establish a fair and reasonable profit or program income, consideration shall be given to:
- a. The complexity of the work to be performed;
 - b. The risk borne by the contractor;
 - c. The contractor's investment;
 - d. The amount of subcontracting;
 - e. The quality of the contractor's record of past performance;
 - f. Industry profit rates in the surrounding geographical area for similar work; and
 - g. Market conditions in the surrounding geographical area.
5. The cost plus a percentage of cost method of contracting shall not be used.

E. Awarding of Agreement/Contract

- 1. Prior to an award of a contract, the City/Contractor shall make a determination that the Contractor/Subcontractor has demonstrated effectiveness in providing the requested services. Agreements/Contracts shall be made only with responsible Contractors/Subcontractors who possess the potential ability to perform successfully under the terms and conditions of a proposed procurement. The selected proposer must be a responsive entity that has submitted a proposal or

bid which meets all requirements of the solicitation adequately, which includes responding to the Request for Proposal (RFP)/Request of Qualification (RFQ) within the required time frames, and completing all forms and documents. A responsible entity is one that has been determined to: 1) have a satisfactory record of integrity and business ethics; 2) have a satisfactory performance record; 3) have adequate financial resources to perform the contract or the ability to obtain such resources; 4) be able to comply with the required or proposed delivery of performance schedule, taking into consideration all existing commercial and business commitments; 5) have the needed organization, experience, accounting, operational control and technical skills or ability to obtain them; 6) have adequate production, construction or technical equipment and needed facilities or the ability to obtain them; 7) be able to meet the program design specifications; 8) be able to meet performance goals which includes a showing of demonstrated effectiveness in providing employment and training services; 9) be able to provide services that can lead to the achievement of competency standards for participants; and 10) be both qualified and eligible to receive the award under the applicable law and regulation. Contractor/Subcontractor shall make the award(s) and finalize the contract(s). Contractor/Subcontractor shall follow established procedures for formal notification of offerors of the results of the evaluations and selected process.

2. The City/Contractor and its contractors/subcontractors shall make positive efforts to utilize small business and minority-owned business as sources of supplies and services. Such efforts should allow these sources the maximum feasible opportunity to compete for contracts to be performed utilizing Federal grant funds. If applicable, Contractor/Subcontractor certifies that it has complied with Mayoral Directive 2001-26 regarding the Outreach Program for Personal Services Contracts Greater than \$100,000.
3. Where such advertised bids are obtained, the awards shall be made to the responsible bidder whose bid is responsive to the invitation and is most advantageous to the grantee, price and other factors considered. Factors such as discounts, transportation costs, and taxes may be considered in determining the lowest bid. No points shall be given for status as subcontractors or a contractor with an approved childcare policy within existing delivery systems. However, if a bid results in a tie score, preference may be given to the contractor or a subcontractors with an approved child care policy.
4. Any or all bids may be rejected when it is in the City/Contractor's interest to do so, and such rejections are in accordance with applicable State and local law, rules, and regulations.

F. Funding Restrictions for High-Risk Contracts

1. A contractor may be considered "high-risk" if an awarding agency determines that the contractor is otherwise responsible but:
 - a. Has a history of unsatisfactory performance;
 - b. Is not financially stable;
 - c. Has a management system that does not meet the management standards set forth in this part; or
 - d. Has not conformed to terms and conditions of a previously awarded grant or sub-grant.
2. If the City/Contractor agency determines that a grant or sub-grant will be made to a "high-risk" contractor or subcontractors, then special funding restrictions that address the "high-risk" status may be included in the contract or subcontract. Funding restrictions may include, but are not limited to:
 - a. Use of reimbursements rather than advances or payment upon completion of the project;
 - b. Requiring additional and/or more detailed financial or performance reports;

- c. Additional monitoring;
 - d. Requiring the contractor or subcontractors to obtain specific technical or management assistance, and/or
 - e. Establishing additional prior approvals (e.g., requiring awarding agency approval prior to hiring/firing, award of small purchase contracts).
3. If the City/Contractor decides to impose such funding restrictions, the awarding official will notify the contractor or subcontractors as early as possible, in writing, of:
- a. The nature of the funding restriction(s);
 - b. The reason(s) for imposing them;
 - c. The corrective actions which must be taken before they will be removed and the time allowed for completing the corrective actions;
 - d. The method of requesting reconsideration of the restrictions imposed; and
 - e. Additional prior approvals.

G. City Code of Conduct

Contractor shall adopt a Code of Conduct in accordance with the requirements as set forth in §504 of this Agreement.

H. Methods of Procurement

Contractor shall use one (1) of the following methods of procurement either by bid or proposal, as appropriate for each procurement action, for entering into contracts with subcontractors. Contractor shall conduct procurement in a manner that provides full and open competition. Contractor shall perform a cost or price analysis in connection with every procurement action, including contract modifications to determine that the expenditure is reasonable. When any purchase is made, it can only be for an allowable cost. Invitations for bids shall clearly set forth all requirements that the bidder must fulfill in order for his bid to be evaluated by the grantee. Grievance process procedures shall be included in each of the following methods of advertised procurement. Specific requirements and procedures are set forth in 24 CFR §84.44, 24 CFR §85.36, Los Angeles City Charter §370-§372, and OMB Circular A-110, incorporated herein by reference.

Prior to entering into any subcontract that has a value of One Thousand Dollars (\$1,000) or more, the Contractor shall submit to the City evidence that it has received a minimum bid(s) for such subcontractors and documentation that justifies the selection of the successful bidder. The Contractor shall maintain records showing the parties solicited and the bids submitted.

1. Small Purchase Procedures: Small purchases are made from vendors for goods or services under \$150,000. Following the procedures for small purchases will constitute justification of the procurement method chosen. The bid must indicate the quantity, time frame and all other requirements of the product or service sought. Bids must be solicited from vendors that can reasonably be expected to provide the goods or services needed.

The requirements are:

Dollar Range of Purchase	Contract and Method
\$1 to \$10,000	1 bid*

*Bid may be a verbal quote, but must be documented for the project file.

\$10,001 to \$150,000 3 written bids received**

**Three (3) bids must be received by Contractor. The bid process and bids received must be documented in writing in the file. The Request for Bid must either be provided in writing to the vendors, or transmitted as uniformly as possible over the telephone. To be considered, the bid response must be signed and dated by the vendor.

2. Purchase/Services Over \$150,000

- a. Sealed Bids—Formal Advertising: Contractor shall prepare an Invitation for Bid (IFB) or similar solicitation document which includes full and clear definitions and descriptions of the items to be procured and key performance criteria, dimensions or specifications. Sealed bids shall be solicited publicly for procurement for a firm-fixed-price contract (lump sum or unit price), or other fixed-price arrangement.
- b. Competitive Proposals: Proposals shall normally be conducted with more than one (1) source submitting an offer, and either a fixed-price or cost-reimbursement type contract is awarded. Contractors shall ensure that they use a documented methodology for technical evaluations and shall award the contract to the responsible offeror whose proposals are most advantageous to the program with price, technical, and other factors considered.
- c. Noncompetitive Proposals—Sole Source: To conduct a noncompetitive procurement the criteria here must be met. Sole source contracts are defined as solicitation of a proposal from only one (1) source, the funding of an unsolicited proposal, or after solicitation of a number of sources, when competition is determined inadequate.

Procurement by noncompetitive proposals may be used only when the award of a contract is infeasible under small purchase procedures, sealed bids, or competitive proposals and one (1) of the following circumstances applies:

- (1) The item or service is available only from a single source; or
- (2) The public exigency or emergency need for the item or service does not permit a delay resulting from competitive solicitation and the procurement is for a limited time only; or
- (3) The awarding agency authorizes noncompetitive proposals; or
- (4) After solicitation of a number of sources, competition is determined inadequate.

3. Contract Provisions

All contracts must contain at a minimum the following provisions:

- a. Specific deliverables and the basis for payment;
- b. Provisions requiring compliance with Community Development Block Grant (CDBG) including, but not limited to other funding source regulations;
- c. Provisions that describe remedies for breach;
- d. Provisions that describe Grantor's CDBG and other funding sources patent and copyright rules;

- e. Provisions for termination for cause and convenience;
- f. Access to records for audit purposes;
- g. Audit requirements;
- h. Provisions for payment and delivery;
- i. Provisions describing contract amendment procedures;
- j. Provisions against assignment;
- k. Provisions for equal opportunity and non-discrimination;
- l. Provisions prohibiting conflicts of interest.

I. **Appeal and Dispute Procedures:** The City and its contractors shall have protest procedures to handle and resolve disputes relating to their procurement. A protester shall exhaust all administrative remedies with the Contractor before pursuing a protest at a higher level. Notice of appeal rights and procedures must be given to all bidders.

J. Regardless of the amount of the award, if the Contractor receives State Community Services Block Grant (CSBG) funds as a funding source under this Agreement, all sub-recipients of such funding shall certify to a Drug-Free Workplace. All awards to sub-recipients in excess of \$100,000 shall certify that no funds shall be used for lobbying. All contracts and awards to vendors and sub-recipients in excess of \$25,000 shall include debarment certifications.

These guidelines are included to provide additional information regarding conflict of interest regulations in California, the California Multiple Awards System (CMAS), and sample procurement steps for sealed bids and request for proposals. The sub-recipients may use the CMAS for procurement following the small purchase guidelines for procurement under \$25,000; for procurement over \$25,000, three written quotes are required. If there are insufficient vendors to provide the quotes, a sole source justification should be written.

K. **RFP/RFQ Procedures.** It is a City policy to contract for services on the basis of demonstrated competence and reasonable price by obtaining bids or proposals. Before preparing a RFP for the procurement of services, several preliminary activities should be performed including the determination of the City's/Contractor's needs, consulting with contractors and other local governments, and developing an approach to the procurement process. Excluding small purchases, the Contractor must justify the procurement method used for each purchase. Once these activities are completed, the development of a RFP can begin.

The following guidelines apply to the preparation of written RFPs or RFQs. These provisions apply to this Agreement and to the City Contractor who will need to make some modification to the language, which clarifies that the solicitation is from the Contractor and not the City. In the RFP process, cost is usually one of several selection criteria that proposers must address in their proposals. By contrast in the RFQ process, cost becomes a selection criterion only after qualified proposers have been identified from a review of their qualifications. RFQs are usually reserved for the selection of engineers, architects, or other highly specialized, technical providers.

The purpose of the guidelines is to present ideas and material that are characteristic of well prepared solicitations. The guidelines are not intended to provide total coverage of any topic. While the guidelines apply generally, exceptional circumstances may call for modifying or excluding one or more of the suggested provisions. In any case, the RFP or RFQ should be tailored to the job that needs to be done. The arrangement, adequacy, clarity, simplicity and appeal of the solicitation document shall remain the responsibility of the administering agency. To be most effective, a solicitation document should be clear and complete but avoid repetition, legalism or extraneous information. RFPs must be publicly advertised.

1. Standard RFP Format.

- a. Cover Page. The cover page should describe briefly the scope of services requested, the format, the issuance date and the deadline of date and time for submission of proposals, and the Contractor contact for further information about the RFP. Include the name, address, telephone number and location of the person to whom the submission is to be made. Exhibit A depicts a sample cover page. If a proposers conference is appropriate, include information on the location, time and date of the event. All RFPs should include a deadline for receipt. Contractors shall have procedures to ensure that only proposals received in accordance with the date and time specified will be reviewed. All RFPs shall include the approximate date of the award notification.
- b. Contents. The RFP should contain the following standard items which are discussed below:
 - 1) Introduction
 - 2) RFP Provisions
 - 3) Statement of Work and Evaluation Criteria
 - 4) Proposal Specifications
 - 5) RFP Items Not Covered
 - 6) References
 - 7) Standard Contract Provisions

- c. Introduction. Describe in general terms the nature, scope and schedule of the work to be contracted, and the Contractor that will be responsible for administering the contract, including name and address of contracting agency. Describe the Contractor's organizational structure that is in place or will be established to facilitate the types of relationships and interactions which will be required to successfully complete the engagement. Present sufficient background and historical information about the project and the Contractor or other agency involved to permit a full understanding of the work to be contracted. State that as a rule all proposals must be submitted in the English language, and that all numerical data must be the dollar-foot-pound-seconds units of measurement.

Describe the minimum and maximum amount of funding for the contract.

Request that proposals be prepared simply and economically, avoiding the use of unnecessary promotional materials. Proposals shall include a Table of Contents and a signature and date block for the offeror. Specify the number of copies of the proposal to be submitted to the Contractor. State that the Contractor shall accept no responsibility for the cost of preparing any proposal.

Request that proposals be enclosed in a single, sealed package plainly marked with the words "Proposal for (name of project as referenced in the RFP)." Declare that proposals shall be made as firm offers for a set period of time following the deadline for submittal. To ensure that the release of a RFP and receipt of any proposals are properly coordinated, contact the Purchasing Division, Department of General Services for assistance.

Direct proposers to address all questions regarding the RFP and their proposals to the assigned Contractor proposal administrator only. State that failure to comply with this requirement, other than as specifically permitted in the RFP, may disqualify a proposer from further consideration.

Contractor shall direct staff to respond to questions regarding the RFP and the submission requirements. Contractor shall record all responses, except those that are clearly answered in the RFP. Contractor shall provide a written copy of the responses to all parties to whom the RFP has been distributed, including those who attended the proposers' conference. This should be provided in a timely and frequent manner to ensure that all proposers are aware of the responses when preparing their proposal.

State that it is the Contractor's intent to award a contract, in a form approved by the Contractor, to the selected proposer. Indicate that the RFP and the Contractor's proposal or any part thereof may be incorporated into and made a part of the contract. State that the Contractor reserves the right to further negotiate the terms and conditions of the contract. State that the Contractor, however, shall reserve the right to withdraw the RFP, to reject any proposal for noncompliance with RFP provisions, or not to award a contract at any time because of unforeseen circumstances or if it is determined to be in the best interest of the Contractor.

d. Statement of Work. Describe the tasks that the subcontractor will be responsible to perform. Clearly define the type, scope, schedule, and other relevant characteristics of each task. Use quantitative language whenever possible to establish an objective basis from which to evaluate responses. Describe the status and/or progress reporting that will be required of the subcontractor. Specify any other items that proposers should address, including, but not limited to, the following:

- 1) Background or project content
- 2) General requirement description
- 3) Related projects
- 4) Problem statement
- 5) Statutory or regulatory foundation
- 6) *Project objectives
- 7) *Purpose
- 8) *How results will be used
- 9) *Scope of work
- 10) *Population to be served
- 11) *Number to be served
- 12) *Training or services to be provided
- 13) *Period of Performance
- 14) *Performance Standards
- 15) *Reporting Requirements

*Must be included in the proposal

Generally RFP based contracts are awarded on the basis of several criteria, such as the level of effort and method proposed to do the work, the credentials and related work experience of subcontractor personnel assigned to do the work, City/Contractor policy issues and price. Describe in the RFP the general criteria the Contractor intends to use to evaluate the written responses, and the assigned weight of each criterion.

Proposed evaluation criteria can be complicated by the varying degrees to which the proposals meet, exceed, or fall below the specific requirements of the RFP. Scale the evaluation process to manageable proportions. The more complete and specific the RFP, the better it serves as a standard for measuring and evaluating proposals. Include a statement that the Contractor shall reserve the right to use such other criteria as may be deemed appropriate in evaluating the proposals, even if such criteria are not mentioned in the RFP. State that proposers submitting the highest-rated written responses may be called for an oral interview to further assess their qualifications. Describe the evaluation criteria that will be used in the interview if different from the written criteria in the RFP. A description of assigned weights may be included if appropriate.

If technical services are to be procured, a technical requirements section should be prepared. The technical requirements section should organize information in a form understandable to potential bidders and Contractor staff. For example, items that might be included in a technical requirements section to procure an automated system include:

- 1) Description of current hardware and software operating environment;
 - 2) Detailed description of all hardware and software requirements;
 - 3) Indication of need for data conversion assistance;
 - 4) Outline of orientation and training requirements; and,
 - 5) Indication of the need for a benchmark demonstration of system capabilities.
- e. Proposal Specifications. Request proposers to demonstrate their capability to fulfill the work to be contracted. Proposers should provide specific information about the personnel, including subcontractors, if possible, who will be assigned to perform the work; past performance on projects of a similar nature including a customer list, if possible; the proposed price to complete the work; adequate documentation on the financial status of the firm which will permit the Contractor to evaluate the proposer's ability to complete the work; and other work elements deemed necessary to evaluate the proposals. State that responses to the RFP must be made in accordance with the format set forth in the RFP. Indicate that a comprehensive index which includes a clear definition of the content of the proposal and which identifies the information set forth therein by sequential page number and appropriate reference number is required. State that failure to meet this requirement may be cause for rejection of the proposal as non-responsive. Generally, each proposer should be requested to address the following specifications:
- 1) Assigned Personnel. The names of the key personnel, whom the proposer employs or plans to employ or hire through subcontract, to perform the requested services. For each person listed, the following information should be provided:
 - a) Description of the work he or she will perform;
 - b) Amount of time he or she will be assigned to work on the project;
 - c) Academic achievements, including all college undergraduate and graduate education;
 - d) Relevant work experience in years and level of responsibility.
 - e) An organization chart depicting the lines of authority, the relationships of the organizational units and the names of the key personnel who will be doing the work.
 - 2) Project Cost. The total cost to the Contractor, broken down in salaries, expenses, equipment, and in hours and total dollar amount by deliverable task.
 - a) Salary, or wage; billing rate for each employee.
 - b) The proposed schedule of payment.
 - c) All resources proposed to be supplied by the Contractor.
 - 3) Deliverables. The products that the subcontractor will deliver to the Contractor according to a set schedule, including the nature of the deliverables, e.g., oral or

written reports, videotapes, or architectural models and, if applicable, number of copies to be provided of written products.

- f. RFP Items Not Covered. Proposals should cover the statement of work and all the RFP specifications. Otherwise, proposers should state why the RFP requirements are not being addressed. If proposers wish to present qualifications in addition to the required items such information should be presented under the heading "Additional Qualifications We Wish To Present". Proposers who do not wish to present such information should state: "There are no additional qualifications we wish to present".
- g. References. Request proposers to support their presentations by listing successfully completed projects that resemble the work to be done and the dates of completion. Request the name, title, address and phone numbers of a contact for each project.
- h. Standard Contract Provisions. Sample standard contract provisions have been provided by the City of Los Angeles for Contractor's use. The document, which is available from the City, is updated periodically. Check with the City to ascertain use of the latest version. Unless the standard provisions are incorporated by reference and attached to the RFP, the general contract provisions that are expected to be included in the contract should be excerpted from the standard provisions document and provided to prospective proposers.
- i. Indemnity and Insurance. The standard City of Los Angeles insurance conditions are incorporated into the sample standard subcontract provisions. The specific insurance coverages and limits shall be described by contractor in the RFP. These coverages and limits should be tailored to the individual subcontract. For City contracts they are set by the City Risk Management staff in the Office of the City Administrative Officer of the City of Los Angeles. There are special endorsement forms (Form Gen. 133 through Form Gen. 146) that correspond to each type of insurance required by the City. The appropriate blank forms corresponding to each item filled in on the Insurance Requirements Sheet should be obtained from the Contractor and attached to the RFP. Contractors will need to modify these forms for their own procurement.
- j. Signatures and Declarations. Each proposal must be signed on behalf of the proposer by an officer authorized to bind the proposer, and must include the following declaration:

This proposal is genuine, and not sham or collusive, nor made in the interest or in behalf of any person not herein named; the proposer has not directly or indirectly induced or solicited any other proposer to put in a sham bid, or any other person, firm or corporation to refrain from submitting a proposal; and the proposer has not in any manner sought by collusion to secure for himself an advantage over any other proposer.
- k. Cover Letter of Proposal. The cover letter of each proposal should be limited to one page. The letter must include the title, address and telephone number of the person or persons who will be authorized to represent the proposer. The letter must be signed by a company officer authorized to bind the company to all commitments made in the proposal.
- l. Proposers Conference. Determine if a proposers' conference will be conducted. A proposers' conference may be appropriate especially if the work to be contracted has not previously been done by contract or not done at all. If a proposers' conference is to be scheduled, designate a date, time and place at which proposers will be given the opportunity to pose questions about the RFP and notify all parties to whom the RFP has been distributed. The notification can be included in the RFP. Invite proposers to submit their questions in writing prior to the conference, and arrange, to the extent possible, for all questions to be answered at the conference. A memorandum for the proposers listing attendees, documenting in writing each question answered at the conference, any actions taken during the conference, etc. shall be prepared to document the conference and conveyed to the participants. Contractors shall provide this information directly to the

proposers who received the RFP but were unable to attend the conference or as an addendum to the RFP for any subsequent requesters. The memorandum should be filed with the record set of contractual documents retained by the Contractor. Materials handed out at the proposer's conference shall be available to all other parties following the conference. If a proposer's conference was not initially planned but the number or extent of questions regarding the RFP indicates a need for one, a separate notice should be mailed and the RFP due date extended if necessary.

- m. Proposal Evaluation for Request for Proposals (RFP). Contractor/City shall develop proposal evaluation procedures in accordance with the requirements of Section D.14 above.
- n. Failed Competition. The RFP shall provide that it is the Contractor's/City's authority to determine that the procurement process has failed. The basis for failure should include a lack of response to RFP; not enough bidders; a determination that the responses do not agree with mandatory requirements of the RFP; a determination that no proposer demonstrated effectiveness in providing the services solicited, and/or a determination that the award of a contract at this time to any proposer would not be cost effective, responsible or prudent. In the event that the City/Contractor determines that the procurement has failed, it may elect to negotiate a sole source agreement or develop and issue a new Request for Proposals.
- o. Disposition of Proposals. State that all proposals submitted in response to the RFP shall become the property of the Contractor/City and a matter of public record.
