SUMMARY

At its special meeting held June 26, 2020, the Trade, Travel, and Tourism Committee considered the action taken by the Board of Airport Commissioners to appoint Mr. Erbacci as General Manager / Chief Executive Officer of LAWA. Mr. Erbacci was in attendance and discussed his goals to improve the City's airports and the guest experience, while also responding to the COVID19 pandemic crisis. Mr. Erbacci listed his guiding principles: ingenuity and reimaging key strategies, innovation, mobility and reducing the reliance on automobiles to access Los Angeles International Airport, sustainability and reducing the impact of the City's airports on the environment, and inclusivity to ensure LAWA's contracting and hiring processes reflect the demographics of the City of Los Angeles. Committee recommended that Council concur with the action taken by the Board to appoint Mr. Erbacci as General Manager / Chief Executive Officer of LAWA.

Respectfully Submitted,
