RE: TRANSMITTAL FOR COUNCIL FILE NO. 20-0838

On October 4, 2020, the Public Works and Gang Reduction Committee considered a Motion (Ryu – O'Farrell) relative to the feasibility of developing a permanent network of Slow Streets to enable wider access to open spaces for all Angelenos, a plan that would enable interested neighborhoods to implement a Slow Streets pilot program, and whether changes to the State Vehicle Code would be needed.

After consideration, the Committee approved the item as amended to include additional language in the first moving clause. This matter now awaits consideration by the Transportation Committee.
