RE: COUNCIL FILE TRANSMITTAL

On January 27, 2022, the Homelessness and Poverty Committee considered a City Administrative Officer (CAO) report relative to COVID-19 Homelessness Roadmap unfunded temporary homeless interventions. Council file No. 20-0841. After consideration, the Committee voted to approve the following amendments:

1. Approve the CAO's report with their recommendation to report on a funding strategy for interim housing sites that have been assessed and were determined to be feasible to support temporary homeless interventions.
2. Instruct the CAO, in coordination with the Housing Department, General Services Department (GSD), and Bureau of Engineering (BOE), to develop a formal evaluation process for unsolicited proposals from private entities who are offering their properties for homeless housing and report on this process as well as the staffing needs of each department in order to implement this process.
3. Instruct the CAO, in coordination with the Housing Department, GSD, and BOE, to develop criteria for the acquisition of private property, including commercial land, for interim housing that can be converted to permanent housing at a later date and report on this process as well as the staffing needs of each department in order to implement this process.
4. Instruct the CAO's office, in coordination with the Chief Legislative Analyst, to report to the Homelessness and Poverty Committee in the next 45 days on all interim housing solutions open within the City as of December 31, 2021. This should include Roadmap sites as well as bridge homes and any other interim housing solution. The report should include information about how many sites are available for women, families, and transitional aged youth.

This file is now transmitted to the Ad Hoc Committee on Covid-19 Recovery and Neighborhood Investment
