

CONDITIONS OF APPROVAL

Entitlement Conditions

1. **Site Development.** Except as modified herein, the project shall be in substantial conformance with the plans and materials submitted by the Applicant, stamped Exhibit "A" attached to the subject case file. No change to the plans will be made without prior review by the Department of City Planning and written approval by the Director of Planning. Each change shall be identified and justified in writing. Minor deviations may be allowed in order to comply with the provisions of the Los Angeles Municipal Code or the project conditions.
2. **Single Permit Jurisdiction Area.** The project is located within the Single Permit Jurisdiction area of the California Coastal Zone. The applicant shall provide a copy of the Coastal Commission's Notification that the City's coastal development permit is effective.
3. **Residential Density.** The project shall be limited to a maximum density of 40 dwelling units.
4. **Affordable Units.** A minimum of 39 units shall be reserved for Low Income Households, as defined by Government Code Section 65915(c)(2). One manager's unit shall be provided.
5. **Changes in Restricted Units.** Deviations that increase the number of restricted affordable units or that change the composition of units or change parking numbers shall be consistent with LAMC Section 12.22 A.25 (9a-d).
6. **Housing Requirements.** Prior to issuance of a building permit, the owner shall execute a covenant to the satisfaction of the Los Angeles Housing and Community Investment Department (HCIDLA) to make 39 unit available to Low Income Households, for sale or rental as determined to be affordable to such households by HCIDLA for a period of 55 years. Enforcement of the terms of said covenant shall be the responsibility of HCIDLA. The applicant will present a copy of the recorded covenant to the Department of City Planning for inclusion in this file. The project shall comply with the Guidelines for the Affordable Housing Incentives Program adopted by the City Planning Commission and with any monitoring requirements established by the HCIDLA. Refer to the Density Bonus Legislation Background section of this determination.
7. **Floor Area Ratio (FAR) (Incentive).** The project shall be limited to a maximum floor area ratio of 2.02:1 per Exhibit "A".
8. **Residential Parking (Incentive).** Zero parking spaces are required for the 40 dwelling units.
9. **Commercial Parking (Incentive).** Six parking space are required for the change of use and addition resulting in a 3,085 square-foot office use.
10. **Height (Waiver).** The proposed building shall not exceed a maximum height of 49 feet, as measured from the midpoint of the centerline of Lincoln Boulevard to the highest point of the roof (varied roofline).
11. **Step-back (Waiver).** The required step-back for portions of the building exceeding 25 feet shall not be required.
12. **Passageway (Waiver).** A minimum passageway of seven feet shall be provided.

13. **Lincoln Boulevard (Waiver of Dedication and Improvements).** The project shall conform to the requirements outlined in the BOE letter dated January 8, 2020, except as modified herein:
- a. Dedication Required:
A 10-foot wide easement shall be provided along the property frontage, in lieu of the required 18-foot dedication.
 - b. Improvement Required:
A 10-foot by 50-foot public plaza shall be constructed and maintained within the required easement area. Improvements shall conform to Exhibit A and shall be constructed to the satisfaction of BOE. Close unused driveway and construct a concrete sidewalk, curb, and gutter. Construct an access ramp at the intersection with Garfield Avenue to comply with BOE standards and ADA requirements. These improvements shall suitably transition to join the existing improvements.
14. **Electric Vehicle Parking.** All electric vehicle charging spaces (EV Spaces) and electric vehicle charging stations (EVCS) shall comply with the regulations outlined in Sections 99.04.106 and 99.05.106 of Article 9, Chapter IX of the LAMC.
15. **Bicycle Parking.** Bicycle parking shall be provided consistent with LAMC Section 12.21-A.16.
16. **Open Space.** The project shall provide open space consistent with LAMC Section 12.21-G.
17. **Landscaping.** A final landscape plan shall be submitted that is substantial conformance with the landscape plan in Exhibit "A". Open areas not used for buildings, driveways, parking areas, recreational facilities, pedestrian amenities, or walkways shall be landscaped. The landscape plan shall include an irrigation plan. Landscaping shall be maintained in good health for the life of the project.
18. **Landscaped Buffer.** As shown on the Landscape Plan included in Exhibit A, a landscaped buffer shall be provided along the lot line adjacent to residentially-zoned lots and shall include a minimum of eight trees, the trees shall be 24-inch box size with a minimum trunk diameter of two inches.
19. **Tree Wells.** The minimum depth of tree wells and planters on the rooftop, any above grade open space, and above a subterranean structure shall be as follows:
- a. Minimum depth for trees shall be 42 inches.
 - b. Minimum depth for shrubs shall be 30 inches.
 - c. Minimum depth for herbaceous plantings and ground cover shall be 18 inches
 - d. Minimum depth for an extensive green roof shall be 3 inches.
- The minimum amount of soil volume for tree wells on the rooftop or any above grade open spaces shall be based on the size of the tree at maturity:
- a. 600 cubic feet for a small tree (less than 25 feet tall at maturity).
 - b. 900 cubic feet for a medium tree (25-40 feet tall at maturity).
 - c. 1,200 cubic feet for a large tree (more than 40 feet tall at maturity)
20. **Greywater.** The project shall be constructed with an operable recycled water pipe system for onsite greywater use, to be served from onsite non-potable water sources such as showers, washbasins, or laundry and to be used as untreated subsurface irrigation for vegetation or for cooling equipment. The system specifics shall be required as determined feasible by the Department of Water and Power in consultation with the Department of City Planning.

21. **Stormwater/irrigation.** The project shall implement on-site stormwater infiltration as feasible based on the site soils conditions, the geotechnical recommendations, and the City of Los Angeles Department of Building and Safety Guidelines for Storm Water Infiltration. If on-site infiltration is deemed infeasible, the project shall analyze the potential for stormwater capture and reuse for irrigation purposes based on the City Low Impact Development (LID) guidelines.
22. **Solar Panels.** A minimum of 1,740 square feet (15% of the available rooftop space) of solar panels shall be installed on the building rooftop as shown on the roof plan provided as a part of an operational photovoltaic system to be maintained for the life of the project. The Project shall comply with the Los Angeles Municipal Green Building Code, Section 99.05.211, to the satisfaction of the Department of Building and Safety.
23. **Solar and Electric Generator.** Generators used during the construction process shall be electric or solar powered. Solar generator and electric generator equipment shall be located as far away from sensitive uses as feasible.
24. **Solar-ready Buildings.** The Project shall comply with the Los Angeles Municipal Green Building Code, Section 99.05.211, to the satisfaction of the Department of Building and Safety.
25. **Lighting.** All outdoor and parking lighting shall be shielded and down-cast within the site in a manner that prevents the illumination of adjacent public rights-of-way, adjacent properties, and the night sky (unless otherwise required by the Federal Aviation Administration (FAA) or for other public safety purposes).
26. **Lighting Design.** Areas where nighttime uses are located shall be maintained to provide sufficient illumination of the immediate environment so as to render objects or persons clearly visible for the safety of the public and emergency response personnel. All pedestrian walkways, storefront entrances, and vehicular access ways shall be illuminated with lighting fixtures. Lighting fixtures shall be harmonious with the building design. Wall mounted lighting fixtures to accent and complement architectural details at night shall be installed on the building to provide illumination to pedestrians and motorists.
27. **Trash.** Separate trash collection areas for residential and commercial trash collection shall be maintained, and shall also accommodate the separate collection of recyclable trash. The separate trash collection areas shall be clearly identified on final plans submitted for review and sign-off.
28. **Graffiti.** All graffiti on the site shall be removed or painted over to match the color of the surface to which it is applied within 24 hours of its occurrence.

Administrative Conditions

29. **Final Plans.** Prior to the issuance of any building permits for the project by the Department of Building & Safety, the applicant shall submit all final construction plans that are awaiting issuance of a building permit by the Department of Building & Safety for final review and approval by the Department of City Planning. All plans that are awaiting issuance of a building permit by the Department of Building & Safety shall be stamped by Department of City Planning staff "Final Plans". A copy of the Final Plans, supplied by the applicant, shall be retained in the subject case file.
30. **Notations on Plans.** Plans submitted to the Department of Building & Safety, for the purpose of processing a building permit application shall include all of the Conditions of Approval herein attached as a cover sheet, and shall include any modifications or notations required herein.

31. **Approval, Verification and Submittals.** Copies of any approvals, guarantees or verification of consultations, review of approval, plans, etc., as may be required by the subject conditions, shall be provided to the Department of City Planning prior to clearance of any building permits, for placement in the subject file.
32. **Code Compliance.** Use, area, height, and yard regulations of the zone classification of the subject property shall be complied with, except where granted conditions differ herein.
33. **Covenant.** Prior to the issuance of any permits relative to this matter, an agreement concerning all the information contained in these conditions shall be recorded in the County Recorder's Office. The agreement shall run with the land and shall be binding on any subsequent property owners, heirs or assign. The agreement must be submitted to the Department of City Planning for approval before being recorded. After recordation, a copy bearing the Recorder's number and date shall be provided to the Department of City Planning for attachment to the file.
34. **Department of Building & Safety.** The granting of this determination by the Director of Planning does not in any way indicate full compliance with applicable provisions of the Los Angeles Municipal Code Chapter IX (Building Code). Any corrections and/or modifications to plans made subsequent to this determination by a Department of Building & Safety Plan Check Engineer that affect any part of the exterior design or appearance of the project as approved by the Director, and which are deemed necessary by the Department of Building & Safety for Building Code compliance, shall require a referral of the revised plans back to the Department of City Planning for additional review and sign-off prior to the issuance of any permit in connection with those plans.
35. **Enforcement.** Compliance with these conditions and the intent of these conditions shall be to the satisfaction of the Department of City Planning.
36. **Expiration.** In the event that this grant is not utilized within three years of its effective date (the day following the last day that an appeal may be filed), the grant shall be considered null and void. Issuance of a building permit, and the initiation of, and diligent continuation of, construction activity shall constitute utilization for the purposes of this grant.
37. **Indemnification and Reimbursement of Litigation Costs.**

Applicant shall do all of the following:

- (i) Defend, indemnify and hold harmless the City from any and all actions against the City relating to or arising out of, in whole or in part, the City's processing and approval of this entitlement, including but not limited to, an action to attack, challenge, set aside, void, or otherwise modify or annul the approval of the entitlement, the environmental review of the entitlement, or the approval of subsequent permit decisions, or to claim personal property damage, including from inverse condemnation or any other constitutional claim.
- (ii) Reimburse the City for any and all costs incurred in defense of an action related to or arising out of, in whole or in part, the City's processing and approval of the entitlement, including but not limited to payment of all court costs and attorney's fees, costs of any judgments or awards against the City (including an award of attorney's fees), damages, and/or settlement costs.
- (iii) Submit an initial deposit for the City's litigation costs to the City within 10 days' notice of the City tendering defense to the Applicant and requesting a deposit. The initial deposit

shall be in an amount set by the City Attorney's Office, in its sole discretion, based on the nature and scope of action, but in no event shall the initial deposit be less than \$50,000. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).

- (iv) Submit supplemental deposits upon notice by the City. Supplemental deposits may be required in an increased amount from the initial deposit if found necessary by the City to protect the City's interests. The City's failure to notice or collect the deposit does not relieve the Applicant from responsibility to reimburse the City pursuant to the requirement in paragraph (ii).
- (v) If the City determines it necessary to protect the City's interest, execute an indemnity and reimbursement agreement with the City under terms consistent with the requirements of this condition.

The City shall notify the applicant within a reasonable period of time of its receipt of any action and the City shall cooperate in the defense. If the City fails to notify the applicant of any claim, action, or proceeding in a reasonable time, or if the City fails to reasonably cooperate in the defense, the applicant shall not thereafter be responsible to defend, indemnify or hold harmless the City.

The City shall have the sole right to choose its counsel, including the City Attorney's office or outside counsel. At its sole discretion, the City may participate at its own expense in the defense of any action, but such participation shall not relieve the applicant of any obligation imposed by this condition. In the event the Applicant fails to comply with this condition, in whole or in part, the City may withdraw its defense of the action, void its approval of the entitlement, or take any other action. The City retains the right to make all decisions with respect to its representations in any legal proceeding, including its inherent right to abandon or settle litigation.

For purposes of this condition, the following definitions apply:

"City" shall be defined to include the City, its agents, officers, boards, commissions, committees, employees, and volunteers.

"Action" shall be defined to include suits, proceedings (including those held under alternative dispute resolution procedures), claims, or lawsuits. Actions includes actions, as defined herein, alleging failure to comply with any federal, state or local law.

Nothing in the definitions included in this paragraph are intended to limit the rights of the City or the obligations of the Applicant otherwise created by this condition.
