

PUBLIC WORKS AND GANG REDUCTION REPORT relative to mitigating public safety and right-of-way accessibility issues originating from the illegal storage of wooden pallets.

Recommendation for Council action, pursuant to Motion (Price - O'Farrell):

INSTRUCT the Bureau of Street Services, Bureau of Sanitation, Department of Building and Safety, and any other departments, as needed, to report with recommendations to mitigate public safety and right-of-way accessibility issues originating from the illegal storage of wooden pallets, including recommendations for any necessary code changes, public signage, and any other enhanced enforcement capabilities.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis for this report.

Community Impact Statement: None submitted.

SUMMARY:

At a regular meeting held on September 2, 2020 the Public Works and Gang Reduction Committee telephonically considered a Motion (Price - O'Farrell) relative to mitigating public safety and right-of-way accessibility issues originating from the illegal storage of wooden pallets. After providing an opportunity for public comment, the Committee approved the recommendation in Motion. This matter is now transmitted to Council for its consideration.

Respectfully Submitted,

PUBLIC WORKS AND GANG REDUCTION COMMITTEE
