Summary: RE: 1537 S. Wilton Place, CF # 20-0969 -- The United Neighborhoods of the Historic Arlington Heights, West Adams and Jefferson Park Communities Neighborhood Council (UNNC) SUPPORTS the Appeal in opposition to the issuance of a categorical exemption for this proposed project. UNNC also OBJECTS to the demolition of the 1905 historic residence at this site, and OPPOSES the project as designed, because it is out of character for the block and the community. UNNC also voted to declare that it is an error to consider this project as being "vested" and that therefore all the regulations that apply to the Angelus Vista Character Residential Overlay District CPIO (which was adopted three years ago in November 2017 by the Los Angeles City Council) shall apply to this project.
