Summary: The Empowerment Congress North Area Neighborhood Development Council (NANDC) is in support of the motion to move \$20 million for Targeted Hiring Program in Disadvantaged Communities. NANDC moved unanimously to support this motion at its duly noticed NANDC Board meeting on September 3. Its Policy Committee met on August 25 and recommended by a vote of 6-0-0 that the full Board support this action. NANDC is concerned in this era of COVID-19 that populations which include designated zip codes, formerly incarcerated individuals, disconnected youth, former gang members, current and formerly homeless individuals, older workers, transgender individuals, individuals with disabilities, and veterans should receive assistance. The TLH Program provides an alternate job pathway into City civil service via full-time, paid, on-the-job training for entry-level City positions to individuals in certain targeted populations. NANDC supports this motion introduced by Councilmember Marqueece Harris-Dawson, Curren D. Price Jr., and Paul Krekorian and seconded by Councilmember David Ryu and hopes that it moves swiftly in these difficult times.
