Agenda Date: 08/26/2020

Item Number: 24

Summary: At its August 26, 2020 Brown-Act publicly-noticed regular board meeting, the BABCNC voted unanimously to support the motion by 4th District Councilmember David Ryu to Add Penalties to the Loud and Unruly Gatherings Ordinance which asks that the City Council instruct the Department of Building and Safety (DBS), Department of City Planning (DCP), Department of Water & Power (DWP), and the Housing and Community Investment Department (HCID) to identify building, zoning, housing, and municipal code violations impacting community wellbeing and report back to the City Council outlining additional deterrence tools that can be adopted to remedy these violations, including but not limited to DWP shut-offs, Certificate of Occupancy holds or revocations, permit prohibitions on the same or related properties, and scorched earth penalties, and asks that that the City Attorney be requested to draft an ordinance based on these recommendations that can be used to hold property owners accountable for parties hosted at their properties that violate the County Public Health Order and put public health at risk during this COVID-19 pandemic. Loud and unruly gatherings adversely impact many BABCNC stakeholders therefore we support this motion.
