Item Number: X. H

Summary: The East Hollywood Neighborhood Council supports the motion for mandatory diversity, equity, and inclusion training and anti-bias training for all members of the Los Angeles Neighborhood Council System. We believe the City must pro-actively work to ensure all levels of our Municipal government are inclusive of and representative of our diverse population. Neighborhood Council members are currently required to engage in ethics training, funding training, and sign a code of conduct before serving the City. Adding a diversity, ethics, and inclusion training and anti-bias training will strengthen our existing system of Neighborhood Councils and make it a more inclusive body. We encourage you to pass this motion and equip Neighborhood Councils with the necessary training to make sure our local government works for everyone.
