5. INSTRUCT LADOT to immediately consolidate and convert TPPDs No. 180, 184, 186, 188, 189, 190, 192, 195, and 239 into PPD No. 320, in accordance with section C.8 of the November 6, 2018 "Rules and Procedures for Preferential Parking Districts," which states that LADOT may periodically review PPD boundaries and recommend consolidation of adjacent PPDs and/or TPPDs into a PPD where such consolidation will aid in the administration and enforcement of

the preferential parking program and where the criteria are found to be generally satisfied.

6. INSTRUCT LADOT to initiate the necessary procedures for the preparation and sale of parking permits to residents within PPD No. 320, as specified in Section 80.58 of the LAMC.
7. DIRECT LADOT to post or remove the authorized parking restrictions upon receipt and validation of petitions containing signatures from at least 75 percent of the dwelling units, covering more than 50 percent of the developed frontage on a street segment requesting installation or removal of the parking restrictions set forth in Recommendation No. 4, after the consolidation and conversion of these TPPDs into a PPD without further action by the City Council.

BACKGROUND

On August 15, 2014, the Los Angeles City Council approved the establishment of TPPDs No. 180, 184, 186, 188, 189, 190, 192, and 195 to alleviate the adverse parking impact on residential areas near the Hollywood sign caused by hikers and tourists visiting the Hollywood sign. On January 22, 2016, the City Council also approved the establishment of TPPD No. 239 for the aforementioned reason. At the time of their establishment, LADOT issued a moratorium on the creation of new PPDs, which prevented the creation of a larger PPD for the area.

Residents of the area designated as a PPD may purchase special parking permits. Vehicles bearing such permits are exempt from the preferential parking restrictions posted within the district for which the permit was issued. The exemption only applies to the preferential parking regulations on those signs, not to regulations of a general nature that may have been installed for traffic movement or street cleaning purposes.

Parking is currently allowed in this area, and the establishment of this PPD involves negligible or no expansion to existing use; therefore the establishment of this PPD falls within the Class 1 Categorical exemption of section 15301(c) of the State CEQA Guidelines and the 2002 City CEQA Guidelines, Article III.1.a.3.

DISCUSSION

On October 4, 2019, LADOT received a letter from Councilmember David E. Ryu requesting the conversion and consolidation of TPPDs No. 180, 184, 186, 188, 189, 190, 192, 195, and 239 into PPD No. 320 near the Hollywood sign in CD 4. The letter indicates that the on-street parking for residents in this residential neighborhood is limited due to visitors of the Hollywood sign who park on their blocks. Under the current Preferential Parking Rules and Procedures, the aforementioned TPPDs can be administratively consolidated and converted into a PPD to aid in the administration and enforcement of the PPD. LADOT agrees with the request to convert and consolidate the TPPDs into PPD No. 320.

In the attached report to the Board of Transportation Commissioners dated July 13, 2020, LADOT originally proposed an amendment to the boundary of PPD No. 320 to include five isolated blocks. The Board discussed the consolidation at their meeting on July 13, 2020, and recommended the following LADOT suggested blocks be excluded from within the new boundaries due to the posting of restrictive permit parking signs limiting access to the trails:

- Muholland Highway between Woodview Drive and Deronda Drive
- Linforth Drive between Dronda Drive and 6030 Linforth Drive
- Ledgewood Drive between Rodgerton Drive and Heather Drive
- Ledgewood Drive between Rockcliff Drive and Heather Drive
- Lugano Place between Heather Drive and the cul de sac north of Heather Drive

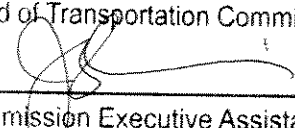

This updated Board report dated, August 13, 2020, reflects the exclusion of these segments from the proposed PPD boundary.

FISCAL IMPACT STATEMENT

Revenue from the sale of permits will cover the cost of implementing, administering, and enforcing PPD No. 320. Violations of the posted parking restrictions may result in citation fines deposited into the General Fund.

TPPDs into a PPD where such consolidation will aid in the administration and enforcement of the preferential parking program and where the criteria are found to be generally satisfied.

6. INSTRUCT LADOT to initiate the necessary procedures for the preparation and sale of parking permits to residents within PPD No. 320, as specified in Section 80.58 of the LAMC.
7. DIRECT LADOT to post or remove the authorized parking restrictions upon receipt and validation of petitions containing signatures from at least 75 percent of the dwelling units, covering more than 50 percent of the developed frontage on a street segment requesting installation or removal of the parking restrictions set forth in Recommendation No. 4, after the consolidation and conversion of these TPPDs into a PPD without further action by the City Council.

BACKGROUND

On August 15, 2014, the Los Angeles City Council approved the establishment of TPPDs No. 180, 184, 186, 188, 189, 190, 192, and 195 to alleviate the adverse parking impact on residential areas near the Hollywood sign caused by hikers and tourists to the Hollywood sign. On January 22, 2016, the City Council also approved the establishment of TPPD No. 239 for the aforementioned reason. At the time of their establishment, LADOT issued a moratorium on the creation of new PPDs, which prevented the creation of a larger PPD for the area.

Residents of the area designated as a PPD may purchase special parking permits. Vehicles bearing such permits are exempt from the preferential parking restrictions posted within the district for which the permit was issued. The exemption only applies to the preferential parking regulations on those signs, not to regulations of a general nature that may have been installed for traffic movement or street cleaning purposes.

Parking is currently allowed in this area, and the establishment of this PPD involves negligible or no expansion to existing use; therefore the establishment of this PPD falls within the Class 1 Categorical exemption of section 15301(c) of the State CEQA Guidelines and the 2002 City CEQA Guidelines, Article III.1.a.3.

DISCUSSION

On October 4, 2019, LADOT received a letter from Councilmember David E. Ryu requesting the conversion and consolidation of TPPDs No. 180, 184, 186, 188, 189, 190, 192, 195, and 239 into PPD No. 320 near the Hollywood sign in CD 4. The letter indicates that the on-street parking for residents in this residential neighborhood is limited due to visitors of the Hollywood sign who park on their blocks. Under the current Preferential Parking Rules and Procedures, the aforementioned TPPDs can be administratively consolidated and converted into a PPD to aid in the administration and enforcement of the PPD. LADOT agrees with the request to convert and consolidate the TPPDs into PPD No. 320.

LADOT also proposes to amend the boundary of PPD No. 320 by including the following additional blocks which are isolated between the blocks indicated in recommendation No. 3 above:

- Muholland Highway between Woodview Drive and Deronda Drive
- Linforth Drive between Deronda Drive and 6030 Linforth Drive
- Ledgewood Drive between Rodgerton Drive and Heather Drive
- Ledgewood Drive between Rockcliff Drive and Heather Drive
- Lugano Place between Heather Drive and the cul de sac north of Heather Drive

FISCAL IMPACT STATEMENT

Revenue from the sale of permits will cover the cost of implementing, administering, and enforcing PPD No. 320. Violations of the posted parking restrictions may result in citation fines deposited into the General Fund.

Dear Ms. Reynolds,

My staff has been working with residents of Westchester to address ongoing and increasing parking concerns in the area. The residential neighborhood at this location is adjacent to Park Westchester Business Center in the north. The neighbors in this small community are experiencing a regular onslaught of employee related parking in their neighborhood. Rather than pay to park elsewhere, drivers park their vehicles in the neighborhood and crowd residential streets, leaving few, if any, spaces for residents.

On behalf of the community, I am requesting the creation of a Preferential Parking District (PPD) with restrictions, "No Parking 6pm - 8am; 2 hour parking from 8am - 6pm except by permit" for the following street segments:

- Thornburn St between La Cienega Blvd and Knowlton Pl
- Thornburn St between Knowlton Pl and Glasgow Ave
- Thornburn St between Glasgow Ave and Ramsgate Ave
- Thornburn St between Ramsgate Ave and Kittyhawk Ave
- Thornburn St between Kittyhawk Ave and La Tijera Blvd
